Dear Stockholder:

2014 was a year of major change for your Company. During the past year, it became increasingly evident that the online gambling industry as a whole was experiencing conditions of maturity whereby smaller firms were finding it increasingly difficult to compete. In response to these facts, the rapid growth of the social games industry, and the promising results of our trial launches with Trophy Bingo, the Bingo.com management team decided it was in the best interests of the Company to change course. We decided to sell the online gambling business; the associated brand and URL and determined that the offer negotiated with Unibet Group Plc (“Unibet”), the Company’s own online gambling partner and technology provider, was fair and the best offer available to the Company for those assets. This strategic decision would provide us with the necessary capital and human resources to enter in the social games industry and compete for a top position.

Previously, in June of 2012, the Company had identified that a significant opportunity was developing for non-gambling bingo games and embarked on the development of a unique free social bingo game, Trophy Bingo, that could be played on mobile devices world wide, without the regulatory constraints present in the online gambling industry. It’s projected that by December 2015, smartphones and tablets will generate more game revenue than console games. The smartphones and tablets market will grow from \$17.6 billion (a total market share of 23% in 2013) to an impressive \$40.9 billion in 2017 which represents more than one third of the total global games market and 80% of the market’s growth. Furthermore, some of the biggest hits of the entire games industry were social games designed and played predominantly on mobile devices. 2014 saw three social games gross more than a billion US dollars in revenue; Puzzle and Dragons from Japan’s GungHo Online Entertainment ; Clash of Clans from Finland’s SuperCell , and Candy Crush Saga from Sweden’s King Digital.

Accordingly, to facilitate this change in direction, the Company at year end completed the sale of its gambling related assets, for which the Company received cash consideration of \$2,000,000 and redemption of the 15,000,000 common shares of the Company, which were held by Unibet, valued at a deemed price of \$0.40 per share providing a total consideration of \$8,000,000. The 15,000,000 common shares held by Unibet have been returned to the Company’s treasury and canceled. Accordingly, the Company’s issued common share capital has decreased by 21.22%, from 70,682,703 to 55,682,703 common shares. The Company changed its name to Shoal Games Ltd and began trading on the OTCQB under the symbol “SGLDF” on January 29, 2015. Simultaneously, while preparing for the world wide launch of Trophy Bingo, the Company obtained a listing on the TSX Venture Exchange in Canada (TSXV:SGW) effective July 2, 2015. This listing enables Canadian investors to trade Shoal Games in their cash, margin, TFSA (Tax Free Savings Account) and RSP (Retirement Savings Plan) accounts. As the TSXV is a fully active open auction market and as most Canadian brokerage firms prevent their clients from trading on the OTC market in the United States we believe this move will significantly improve the liquidity in the trading of our shares. Shoal Games also becomes the only publically traded company in the social games industry trading on a Canadian exchange.

***Shoal Games is now solely focused on the mobile and social games industry with its first social game, Trophy Bingo.*** The game is a puppy themed social bingo adventure where players must win their way through 120 levels of bingo challenges to succeed. The Company's revenue model for Trophy Bingo is based on advertising and in-app purchases. Players can enjoy free games in exchange for viewing targeted advertising. In addition, players are able to purchase virtual in-game currency which can be used to speed progression and open premium content in Trophy Bingo. The game also contains an assortment of social features which are designed to enhance the player experience and reduce marketing costs by encouraging social play.

According to Statista there are over 1.2 million apps available in the App Store and 1.3 million apps available on Google Play as of July 2014. Attracting an audience to a game given the sheer volume of competing offerings is a difficult challenge. While techniques exist to reach users through paid marketing campaigns, building games for audiences that already exist is a way to significantly reduce marketing expenses. ***Social free-to-play bingo games are an established category in the social games industry.*** The two leading brands, Bingo Bash and Bingo Blitz (both launched in 2010) have generated an estimated 50 million downloads between them and both have been acquired for large sums. Bingo Blitz was purchased by Caesars Interactive Entertainment for \$45 million in 2012 and The Game Show Network purchased Bingo Bash for \$160 million in 2014. These two acquisitions and the overall growth projections for the mobile gaming market indicate that the social bingo category is healthy and growing.

The \$2,000,000 cash obtained from the sale of the online gambling business, in addition to the cash held at the time of the transaction has enabled the Company to continue to finance the development and prepare for the marketing of Trophy Bingo. The Company intends to make Trophy Bingo one of the most popular and highest grossing social bingo games available in the market. Trophy Bingo is a product that’s rich in game play and offers players hours of entertainment in a completely new format for social bingo. The Trophy Bingo team is focused on releasing the product early in the third quarter of 2015 in combination with a significant marketing budget to attempt to rapidly move Trophy Bingo into the upper ranks of the monetization charts for both Apple and Google smartphones and tablets.

We would like to thank you, our shareholders, for your long standing patience and belief in Shoal Games and we hope we can repay your commitment with positive financial returns.

I am pleased to invite you to the Annual Meeting of Stockholders (the “Annual Meeting”) of Shoal Games Ltd. (previously

#### **1) 1999 Stock Option Plan**

In September 1999, the directors of the Company adopted a non-qualified stock option plan (the "1999 Stock Option Plan"). Under the 1999 Stock Option Plan, options to purchase shares of the Company's Common Stock may be granted to employees and to such other persons who are not employees as determined by the 1999 Stock Option Plan administrator (the "Administrator"). The maximum aggregate number of shares of the Company's Common Stock subject to option under the 1999 Stock Option Plan may not exceed 1,895,000. In determining the number of shares of the Company's Common Stock subject to each option granted under the 1999 Stock Option Plan, consideration is given to the present and potential contribution by such person to the success of the Company. The exercise price is determined by the Administrator, provided that the exercise price for any covered employee (as that term is defined for the purposes of Section 162(m) (3) of the Internal Revenue Code of 1986 as amended (the "Code"), may not be less than the fair market value per share of the Common Stock at the date of grant by the Administrator. Each option is for a term

not in excess of ten years except in the case of the death of an optionee, in which case the option is exercisable for a maximum of twelve months thereafter, or in the case of an Optionee ceasing to be a participant under the 1999 Stock Option Plan for any reason other than cause or death, in which case the option is exercisable for a maximum of 30 days thereafter. ## **2) 2001 Stock Option Plan**

The exercise price in the case of any Nonstatutory Stock Option, shall not be less than eighty-five percent (85%) of the Fair Market Value on the grant date. The exercise price in the case of any Incentive Stock Option granted to persons other than to an Optionee who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company, shall not be less than the Fair Market Value on the grant date.

At the time of the grant of the Option, the Plan Administrator shall designate, the expiration date of the Option, provided that no Option granted under the 2001 Stock Option Plan shall have a term exceeding 10 years from the date of grant, and no Option granted to an Optionee who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company shall be exercisable after the expiration of five (5) years from the grant date (or less, in the discretion of the Administrator), except in the case of the death of an Optionee, in which case the option is exercisable for a maximum of twelve months thereafter, or in the case of an Optionee ceasing to be a participant under the 2001 Stock Option Plan for any reason other than cause or death, in which case the option is exercisable for a maximum of 30 days thereafter. The 2001 Stock Option Plan does not provide for the granting of financial assistance, whether by way of a loan, guarantee or otherwise, by the Company in connection with any purchase of shares of Common Stock from the Company.

An Option will be exercisable at such times, over such term and subject to such terms and conditions as the Plan Administrator determines. At the time of the grant of the Option, the Plan Administrator shall designate, the expiration date of the Option, provided that no Option granted under the 2005 Stock Option Plan shall have a term exceeding 10 years from the date of grant.

In fulfilling its mandate, the Board of Directors, directly or through one of its committees, is responsible for the following:

- The adoption of a strategic planning process for the Company;
- The identification of the principal risks of the Company’s business and ensuring the implementation of appropriate systems and management of these risks by undertaking thorough reviews of operations, sales, marketing reports, Audit Committee reports and findings of the Company’s external auditors to identify the principal risks to the Company’s business;
- Succession planning for the Company including the appointment, training and monitoring of senior management; and
- The integrity of the Company’s internal control and management information systems.

**3. Position Descriptions**

***Disclose whether or not the board has developed written position descriptions for the chair and the chair of each committee. If the board has not developed written position descriptions for the chair and/or the chair of each board committee, briefly described how the board delineates the role and responsibilities of each such position.***

Pursuant to the Board’s written mandate, the Board is responsible for developing position descriptions for the Chair of the Board and the chair of each Board committee:

The Company's Chief Executive Officer is the principal officer of the Company and is charged with the responsibility for managing the strategic and operational agenda of the Company and for the execution of the directives and policies of the Board of Directors. The roles and responsibilities of the Chief Executive Officer include, among other things:

- developing, together with the Board of Directors, the Company's strategic direction;

- ensuring that the Board of Directors is kept appropriately informed of the overall business operations of the Company and major issues facing the Company;

#### **4. Orientation and Continuing Education**

***Briefly describe what measures the board takes to orient new directors regarding***

- The role of the board, its committees and its directors; and***
- The nature and operation of the issuer's business.***

No formal orientation program has been developed by the Board. However, new directors have the opportunity to meet with and participate in work sessions with senior management to obtain insight into the operations of the Company. It is expected that new directors will generally have been executives with extensive business or other senior level experience and have directorship responsibilities on other public and private company boards and institutions. Orientation for these individuals is provided through a review of past Board of Director materials and other private and public documents concerning the Company. Given the level of experience of those joining the Board and the relatively short history of the Company, a formal orientation and education programme has not been viewed as necessary.

***Briefly describe what measures, if any, the board takes to provide continuing education for its directors. If the board does not provide continuing education, describe how the board ensures that its directors maintain the skill and knowledge necessary to meet their obligations as directors.***

The Company has no formal policy of providing professional development courses to Board members, though educational sessions are occasionally presented to the Board by the Company's outside advisors. Board members are experienced business people with in-depth knowledge of the industry in which the Company operates. The Company will engage consultants on an as-needed basis to make presentations to the Board on matters relevant to the Company.

#### **5. Ethical Business Conduct**

***Disclose whether or not the board has adopted a written code for the directors, officers and employees. If the board has adopted a written code disclose how a person or company may obtain a copy of the code;***

On December 21, 2006, the Board adopted a new Code of Business Conduct and Ethics (the "Code"), which applies to the Company's directors, officers and employees. The Code was adopted to further strengthen the Company's internal compliance program. The Code addresses among other things, honesty and integrity, fair dealing, conflicts of interest, compliance with laws, regulations and policies, including disclosure requirements under the federal securities laws, and administration of the code. The code is available at the

Company's website at <http://investor.shoalgames.com> in the Corporate section under Corporate Governance. A copy of our Code of Ethics is available upon request at no charge to any shareholder.

***Describe how the board monitors compliance with its code, or if the board does not monitor compliance, explain whether and how the board satisfies itself regarding compliance with its code;***

The Board is ultimately responsible for the implementation and administration of the Code of Business Conduct and Ethics and, given the nature and size of the Company, the Board is of the view that it can effectively monitor the day-to-day implementation and administration of the Code.

***Provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code.***

There are no such reports.

***Describe any steps the board takes to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.***

A director or officer of the Company must declare the nature of any interest that he or she has in a material contract, whether made or proposed, with the Company. Following such a declaration, Board members will abstain from voting on any resolution in which they may have a potential conflict of interest.

***Describe any other steps the board takes to encourage and promote a culture of ethical business conduct.***

The Board monitors management on a regular basis. The Company is dedicated to the maintenance of good corporate governance and ethical business conduct. In particular, the Board takes special efforts, and engages outside counsel where necessary, to ensure that all legal and stock exchange requirements are addressed in a timely and effective manner. The Board is responsible for ensuring the independent functioning of the Board and ensuring the integrity of the Company's internal control and management function.

## **6. Compensation**

***Describe the process by which the board determines the compensation for the issuer's directors and officers.***

The Compensation Committee recommends compensation policies to the Board and sets the compensation of the Chief Executive Officer of the Company. The Committee's guiding philosophy is to establish executive compensation based on corporate performance.

***If the board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.***

The mandate of the Compensation Committee is to establish and monitor the Company's policies for attracting, retaining, developing and motivating senior employees. The compensation policies are designed to support the Company's strategic objectives, ensure that incentive programs are designed to motivate senior managers to achieve or exceed corporate objectives and to enhance shareholder value and to ensure that there is reasonable consistency in the application of the compensation policies. The Company's responsibilities include reviewing annually the performance of the Chief Executive Officer (or more frequently if deemed necessary by the Compensation Committee), setting the Chief Executive Officer's compensation and, in consultation with the Chief Executive Officer, establishing his personal objectives, reviewing the performance and approving the compensation of executive officers of the Company on the recommendation of the Chief Executive Officer, establishing incentive compensation programmes and monitoring their effectiveness and developing and documenting the compensation policy and philosophy of the Company for approval by the Board of Directors.

***If a compensation consultant or advisor has, at any time since the beginning of the issuer's most recently completed financial year, been retained to assist in determining compensation for any of the issuer's directors and officers, disclose the identity of the consultant or advisor and briefly summarize the mandate for which they have been retained. If the consultant or advisor has been retained to perform any other work for the Issuer, state that fact and briefly describe the nature of the work.***

If assessments are not regularly conducted, describe how the board satisfies itself that the board, its committees, and its individual directors are performing effectively.***

The Board of Directors as a whole annually reviews and assesses its effectiveness and the effectiveness of the Board committees. In addition, the Corporate Governance and Nominating Committee meet separately to assess the effectiveness of the Board and its committees.

#### *Risk Management*

13. The Board has responsibility for the identification of the principal risks of the Company's business and ensuring the implementation of appropriate systems to effectively monitor and manage such risks with a view to the long-term viability of the Company and achieving a proper balance between the risks incurred and the potential return to the Company's shareholders.

14. The Board is responsible for the Company's internal control and management information systems.

#### *Policies and Procedures*

19. The Board is responsible for:

- (a) ensuring that all new directors receive a comprehensive orientation, that they fully understand the role of the Board and its committees, as well as the contribution individual directors are expected to make (including the commitment of time and resources that the Company expects from its directors) and that they understand the nature and operation of the Company's business; and

(b) providing continuing education opportunities for all directors, so that individuals may maintain or enhance their skills and abilities as directors, as well as to ensure that their knowledge and understanding of the Company's business remains current.

If the Board elects to award an Option to an Employee or Consultant, the number of Shares to be acquired on the exercise of such Option shall be determined by the Board in its sole discretion, and in so doing the Board may take into account the following criteria:

- (a) the person’s remuneration as at the Award Date in relation to the total remuneration payable by the Company to all of its Employees and Consultants as at the Award Date;
- (b) the length of time that the person has provided services to the Company; and
- (c) the nature and quality of work performed by the person.

## 2.3 NOTIFICATION OF AWARD

Following the approval by the Board of the awarding of an Option, the Administrator shall notify the Option Holder in writing of the award and shall enclose with such notice the Option Certificate representing the Option so awarded.

## 2.4 COPY OF PLAN

Each Option Holder, concurrently with the notice of the award of the Option, shall be provided with a copy of this Plan. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

## 2.5 LIMITATION

This Plan does not give any Option Holder who is a Director the right to serve or continue to serve as a Director, nor does it give any Option Holder who is an Employee or Consultant the right to be or to continue to be employed or engaged by the Company.

## **ARTICLE III TERMS AND CONDITIONS OF OPTIONS**

### 3.1 BOARD TO ALLOT SHARES

The Shares to be issued to Option Holders upon the exercise of Options shall be allotted and authorized for issuance by the Board prior to the exercise thereof.

### 3.2 NUMBER OF SHARES

The maximum number of Shares issuable under the Plan shall not exceed 10% of the number of Shares of the Company issued and outstanding as of each Award Date, inclusive of all Shares presently reserved for issuance pursuant to previously granted stock options, unless shareholder approval is obtained in advance in accordance with section 6.5 hereof.

Options that have been cancelled or that have expired without being exercised in full shall continue to be issuable under the Plan. Subject to the provisions of section 6.5, Options that have been exercised will reduce the total number of Options available to be granted hereunder.

### 3.3 TERM OF OPTION

Subject to section 3.5, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the tenth anniversary of the Award Date of the Option, or such other maximum amount of time as may be allowable under the policies of the Exchange.

### 3.4 LIMITATIONS AND REQUIREMENTS

The total number of Options awarded to any one individual in any twelve month period shall not exceed 5% of the issued and outstanding Shares of the Company at the Award Date (unless the Company has obtained disinterested shareholder approval).

The total number of Options awarded to any one Consultant for the Company shall not exceed 2% of the issued and outstanding Shares of the Company at the Award Date without consent being obtained from the Exchange.

The total number of Options awarded to all persons employed by the Company who perform Investor Relations Activities for the Company shall not exceed 2% of the issued and outstanding Shares of the Company, in any twelve month period, calculated at the Award Date without consent being obtained from the Exchange.

The Company shall issue a press release at the time of grant for all Options issued to Insiders of the Company and investor relations service providers.

All Options granted to Insiders of the Company or granted at any discount to the market price of the Company's shares will be subject to a four month hold period which commences on the date that the Options are granted.

### 3.5 TERMINATION OF OPTION

An Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix limits, vesting requirements or restrictions in respect of which an Option Holder may exercise part of any Option held by him. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of 5:00 p.m. (Vancouver time) on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Board on the Award Date referred to in section 3.3 above, and the date established, if applicable, in subsections (a) to (c) below.

#### (a) Death

In the event that the Option Holder should die while he or she is still (i) a Director or Employee, (other

than an Employee performing Investor Relations Activities) the Expiry Date shall be 12 months from the date of death of the Option Holder; or (ii) a Consultant, or an Employee performing Investor Relations Activities, the Expiry Date shall be one month from the date of death of the Option Holder.

(b) Ceasing to Hold Office

Unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as Director and such Option Holder ceases to be a Director of the Company other than by reason of death, the Expiry Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder continues to be engaged by the Company as an Employee or Consultant, in which case the Expiry Date shall remain unchanged. However, if the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in s.114 of the Business Corporations Act (British Columbia) or section 40 of the International Business Companies Act of Anguilla; or
- (ii) a special resolution having been passed by the members of the Company pursuant to the Company's bylaws,

then the Expiry Date shall be the date the Option Holder ceases to be a Director of the Company.

(c) Ceasing to be Employed

Unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company (other than an Employee or Consultant performing Investor Relations Activities) and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date of the Option shall be the 30th day following the date the Option Holder ceases to be an Employee or Consultant of the Company unless the Option Holder ceases to be such as a result of:

- (i) termination for cause; or
- (ii) an order of the British Columbia Securities Commission, the Exchange, or any regulatory body having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

(d) Ceasing to Perform Investor Relations Activities

Notwithstanding the paragraph (c) immediately above, and unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company who provides Investor Relations Activities on behalf of the Company, and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

### 3.6 EXERCISE PRICE

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that it shall not be less than the closing price of the Company's Shares traded through the facilities of the Exchange (or, if the Shares are no longer listed for trading on the Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading) on the day preceding the Award Date, less any discount permitted by the Exchange, or such other price as may be required or permitted by the Exchange.

### 3.7 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, and all Option Certificates will be so legended, provided however

that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

### 3.8 PAYROLL WITHHOLDING

If the Company is required under the Income Tax Act (Canada) or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of Options, then the Option Holder shall:

- (a) pay to the Company, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Company to be the amount necessary to permit the required tax remittance;
- (b) authorize the Company, on behalf of the Option Holder, to sell in the market on such terms and at such time or times as the Company determines a portion of the Common Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
- (c) make other arrangements acceptable to the Company to fund the required tax remittance.

### 3.9 ADJUSTMENTS

If prior to the complete exercise of any Option the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the “Event”), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options.

### 3.10 EXERCISE RESTRICTIONS

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded on the applicable Option Certificate.

Notwithstanding the above, Options issued to Consultants performing Investor Relations Activities must vest in stages over at least twelve months with not more than one-quarter of the Options vesting in any three month period.

### 3.11 REPRESENTATIONS

For Options granted to Employees, Consultants or Management Company Employees, both the Company and the Option Holder will represent that the Option Holder is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

## **ARTICLE IV EXERCISE OF OPTION**

### 4.1 EXERCISE OF OPTION

An Option may be exercised only by the Option Holder or his Personal Representative. An Option Holder or his Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

#### 4.2 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

#### 4.3 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

#### 4.4 MONITORING OF TRADES

An Option Holder who performs Investor Relations Activities shall provide written notice to the Board of each of his trades of securities of the Company, within five business days of each trade.

### **ARTICLE V ADMINISTRATION**

#### 5.1 ADMINISTRATION

The Plan shall be administered by the Board, or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan. The Board or such committee may make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations shall form part of this Plan. The Board may delegate to the Administrator or any Director, Employee or officer of the Company such administrative duties and powers as it may see fit.

#### 5.2 INTERPRETATION

The interpretation by the Board or its authorized committee of any of the provisions of this Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

### **ARTICLE VI APPROVALS, AMENDMENTS AND TERMINATION**

#### 6.1 APPROVALS REQUIRED FOR PLAN

Prior to its implementation by the Company, this Plan is subject to the receipt of approval by the shareholders of the Company at a general meeting and approval of the Exchange.

#### 6.2 PROSPECTIVE AMENDMENT

Subject to applicable regulatory approval, the Board may from time to time amend this Plan and the terms and conditions of any Option thereafter to be awarded and, without limiting the generality of the foregoing, may make such amendments for the purpose of meeting any changes in any relevant law, Exchange policy, rule or regulation applicable to this Plan, any Option or the Shares, or for any other purpose which may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment.

### 6.3 RETROACTIVE AMENDMENT

Subject to applicable regulatory approval, the Board may from time to time retroactively amend this Plan and may also, with the consent of the affected Option Holders, retroactively amend the terms and conditions of any Options which have been previously awarded.

### 6.4 EXCHANGE APPROVAL

With the consent of affected Option Holders, the Board may amend the terms of any outstanding Option so as to reduce the number of optioned Shares, increase the Exercise Price, or cancel an Option without Exchange approval. Any other amendment will be subject to receiving prior Exchange approval.

### 6.5 SHAREHOLDER APPROVAL

This Plan must be approved by the Company's shareholders annually, at a duly called meeting of the shareholders. Disinterested shareholder approval (as defined in Exchange policy) will be required for: (i) any reduction in the exercise price of Options granted to Insiders, if the Option Holder is an Insider of the Company at the time of the proposed amendment; and (ii) the situations where the Plan, together with all other outstanding options, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the Company's issued Shares;
- (b) the grant to Insiders, within a 12 month period, of a number of options exceeding 10% of the Company's issued Shares;
- (c) the issuance to any one Option Holder, within a 12 month period, of a number of Shares exceeding 5% of the Company's Shares, or
- (d) such other maximum amounts as may allowable under the policies of the Exchange.

### 6.6 TERMINATION

The Board may terminate this Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination and notwithstanding such termination the Company, such Options and such Option Holders shall continue to be governed by the provisions of this Plan.
