## Shoal Games Secures License to Mr. Bean

ANGUILLA, B.W.I., February 21, 2018 - Shoal Games Ltd. (TSXV: SGW) (OTCQB: SGLDF) ("the Company"), mobile software developer, publisher, and owner of Rooplay (<http://www.rooplay.com>), today announced that it has licensed the rights to Endemol Shine Group's Mr. Bean Animated brand (<http://www.mrbean.com/>) to produce a range of classic and educational games.

The announcement follows the recent news that Tiger Aspect Productions, an Endemol Shine UK company, will produce a third run of Mr. Bean: The Animated Series. The series will air in 2019 on CITV in the UK and across international markets on Turner's Boomerang (as well as other Turner Kids channels in select markets) through deals agreed by Endemol Shine International. Rowan Atkinson will return to voice the animated version of his British icon and will continue to be involved in the creative direction of the show.

Mr. Bean is a global sensation, broadcast in 195 territories with over 25 years in continual distribution. The brand has also seen phenomenal digital growth and is now the 12th most popular Facebook page worldwide, recently overtaking the likes of Taylor Swift and Harry Potter, with over 77 million fans, growing on average by 200,000 fans per week.

Jason Williams, CEO of Shoal Games, stated "we are thrilled to be working with Endemol Shine and the Tiger Aspect Production teams to bring this world-famous brand to life in classic family and educational games on Rooplay and as stand-alone releases. Our games featuring Mr. Bean will be played and loved by millions of families in every region in the world. The international recognition of the Mr. Bean series opens exciting opportunities for unique and engaging game designs that the Shoal Games team are excited to begin."
