Shoal Games Ltd. Announces Proposed Change of Name to “Kidoz Inc.”

ANGUILLA, B.W.I., March 22, 2019 - Shoal Games Ltd. (TSXV: SGW) (the "Company"), kid-tech software developer, owner of the Rooplay edu-games platform (www.rooplay.com), owner of the Kidoz content discovery network (www.kidoz.net), owner of the Kidoz safe operating system, and publisher of the Rooplay Originals games library, announced today that its shareholders, by written consent of the holders of 70.6 % of the issued and outstanding common shares of the Company, which exceeds the minimum shareholding required under the by-laws of the Company for shareholder action in writing, have resolved to change the name of the Company to “Kidoz Inc.” and amend the articles of incorporation of the Company accordingly, subject to approval and acceptance by the TSX Venture Exchange.

“Management decided to make the name change to better reflect the Company’s strategy and focus on kid technology,” commented Jason Williams, Co-CEO of Shoal Games. “Kidoz is a powerful brand that has excellent awareness in the market and established trust with our brand partners and customers. We are committed to bringing safe and engaging content and systems to our clients and the name Kidoz best reflects this mission.”

The Anguilla Registrar of Companies has authorized the use of the proposed new name by the Company. The Company is working with the TSX Venture Exchange to obtain its approval of the proposed name change as soon as possible. The Company will be filing articles of amendment with the Anguilla Registrar of Companies to effect the contemplated change of name as soon as the name change has been conditionally accepted by the TSX Venture Exchange.

About Shoal Games Ltd.

Shoal Games Ltd. (TSXV:SGW) (www.shoalgames.com) is the owner of the Rooplay EdTech games platform (www.rooplay.com) and the Kidoz content discovery network (Kidoz.net). Rooplay’s curated games platform empowers children with inspired play, engagement and innovative learning. These games feature Garfield, Moomin, Mr. Men, Little Miss, Pororo, Peter Rabbit or Mr. Bean, which offers families a handpicked and growing selection of educational games for a monthly subscription fee. Kidoz is a mobile content discovery and recommendation platform for kids, reaching over 50 million children worldwide. Kidoz helps app developers and device makers generate revenue from their work in a COPPA-compliant way that respects their values, using sponsored content recommendations. The Rooplay platform uses the same subscription business model as Netflix, but substitute’s passive video content with active learning games designed to inspire children to success.
