Dear Stockholder:

2018 was an exciting year for Kidoz Inc. (formerly Shoal Games Ltd.). The year started with Rooplay crossing more than 500,000 installs, and ended with the Company agreeing to merge with a leading Israel-based kids media company, Kidoz Ltd. The completed merger has resulted in a leading kids' content and distribution company, which now reaches more than 100,000,000 kids globally each and every month.

Kidoz Inc.'s solutions help App Developers, leading brands, and OEM manufacturers optimize their mobile presence. For App Developers focused on kids, Kidoz Inc. offers the leading GDPR and COPPA-compliant Ad monetization solution, already used by thousands of kids' games and apps to safely monetize their traffic. For kids' brands, Kidoz Inc. is the leading mobile distribution network for kids 13 and under. The Company's KIDOZ Network enables brands to reach and engage millions of kids and parents on thousands of apps through one focal point. For OEMs and Carriers, the Company's KIDOZ Mode is the official software solution that powers their youth-dedicated products, including custom content libraries, parental control and kid friendly monetization.

The combined company is positioned to grow through its exclusive ownership of both content and distribution. Media budgets continue to shift from Linear TV to digital platforms like KIDOZ as brands seek to engage their customers where kids spend most of their screen time. Digital media buying in the kids' market is constrained by the requirement imposed on companies by regulators for the content to be COPPA compliant (in the US) and GDPR-K compliant (in Europe). The business of Kidoz Ltd. was focused since inception on meeting these stringent requirements, making it one of the most respected and safe kids solution providers in the market. We believe that with the further development of both the Rooplay and KIDOZ platforms, and the integration of EdTech content into its global network, the Company can create a unique and defensible position in the market.

Our vision is to create a free and safe Internet for children, by enabling content producers to monetize their apps and video with safe, relevant, and fun advertising. We connect the brands that kids love with the hundreds of millions of kids and families all over the world who enjoy free games, videos and apps on the Internet. Without a safe advertising eco-system, this content cannot be free. The KIDOZ Safe Ad Network SDK is currently installed in more than 3,000 different apps engaging over 100 million kids a month, making it the most popular children focused in-app solution in the market. KIDOZ employs only contextual targeting and is not using any personal identifiers to target users, unlike most networks in today's sophisticated AdTech market that relies on personal identifiers to optimize campaign targeting. In the past few months, leading developers and publishers such as WildWorks, Budge Studio, PepyPlay, MyTown Games, Educa Studio, SmartStudy, Beansprites and dozens of others have begun to use the KIDOZ Safe Advertising Network.

The numbers of apps that use KIDOZ has been steadily increasing, due to the high demand for safe advertising systems by parents, regulators, Google, Apple, and app developers themselves. The KIDOZ system was designed from inception to not use any personal identifiers to target users and to have human curation of every campaign that goes live on the network so that no inappropriate ads will ever be seen in a KIDOZ powered app. In May 2019, Google announced that only ten networks globally, including KIDOZ, would be allowed to place ads into children's and family apps. In September 2019, Apple announced that it would enforce even tighter restrictions limiting kids' apps to use Ad networks that rely on contextual targeting only while performing human review of all ad creatives. Apple's restrictions make almost every network or programmatic platform non-compliant for kids' traffic, other than manually moderated networks like KIDOZ.

The spending patterns of advertisers are also contributing to our recent growth. Children's brands and advertising agencies continue to shift budgets to safe advertising networks, such as KIDOZ, and away from networks such as YouTube that are not COPPA compliant (by their use of data targeting) or fail to screen campaign creatives. Further, the usage of free apps and free family digital video content continue to surge in popularity. Children of all ages are consuming far less broadcast television content and far more in-app games and video content. In addition to individual usage increases, the size of the children's market also continues to grow. As per the PwC Kids Digital Media report, 40% of new Internet users globally in 2018 were children, with more than 175,000 coming online for the first time every day.

Finally, regulation at the government level is increasing and positively influencing growth of the KIDOZ Safe Ad Network. COPPA in America and GDPR in Europe have forced advertisers and publishers to ensure their data and advertising methodologies are safe. Regulators in America are considering updating COPPA to further enhance child safety online, and regulators in China, India and other regions are considering similar measures. As KIDOZ is compliant, it benefits from all child-safe advertising regulation.

Reaching 100 million MAU's is an exciting milestone. The KIDOZ Safe Ad Network keeps families safe and enables publishers to monetize their content with appropriate and relevant ads. Parents, children, and app publishers all benefit from the increased

safety of apps powered by KIDOZ. We believe the KIDOZ proposition is unique and the market conditions ideal to continue strong growth as we pursue reaching 200 million MAU's.

Significant advancements have been made in the Company's accounting processes, to ensure that the tight public company reporting requirements to which it is subject can be met by all of its operating units. Further, the Company has unified its communication, development, and sales operations to ensure visibility across its multiple offices. The installation of collaboration tools to foster remote co-working and increase transparency between the previously separate companies is helping to increase productivity and advance the capacity of the Company's sales pipeline. As KIDOZ is the world's most popular kids focused mobile SDK, brands are benefiting from the high impact and engagement that these special campaigns can offer. Digital media buying by kids brands is expected to pass one billion dollars this year, and KIDOZ is considered one of the most respected and known brands in the market.

Securing positive growth in both our business units, AdTech and Content, is an exciting milestone for the Company. The Company has successfully integrated its teams in Israel, Canada, and the UK to maximize all potential synergies and minimize costs through a number of strategic restructuring decisions to optimize the resources of the Company. The Company is aligned behind the common goal of platform growth by expanding its our global AdTech and Content businesses and building on the sales channel relationships working with the KIDOZ brand. New sales partners have been secured in Germany, Italy, India, the Nordics and many other regions as the digital budgets of advertisers continue to increase and the high performance of the KIDOZ in-app network is recognized by marketers. Growth of the KIDOZ network is propelled by consumer behaviour, advertiser demand, and the increased regulation that ensures advertising to kids be safe, secure and relevant. The digital segment of kids advertising is projected by PwC to grow at more than 20% per year until 2021 and management believes that the Company is in the ideal place to capture a large portion of the increase in global market size. For the remainder of 2019, the Company will be focused on securing growth, both organically and through other strategic means that will create synergies and increase scale.

A: We will hold the Annual Meeting to enable stockholders to vote on the following matters:

- Proposal 1. To amend, by an ordinary resolution, the Articles of Incorporation of the Company to change the maximum number of directors the Company may have from seven (7) to twelve (12);
- Proposal 2. To elect the seven director nominees identified in this Proxy Statement to serve as directors of the Company until the 2020 Annual Meeting of Stockholders;

Stockholders will be asked to vote for nominees for all director seats on the Board as of the Annual Meeting. The term of office for directors elected at the Annual Meeting will continue until the 2020 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified or until their earlier removal, resignation or death. The nominees for election are: Mr. T. M. Williams, Mr. J. M. Williams, Mr. E. Ben Tora, Mr. C. Kalborg, Ms. F. Curtis, Mr. J. Mandelbaum, and Mr. M. David.

Q: What is a proxy?

A: A proxy is a document by which you authorize someone else to vote for you at a stockholder meeting in the way that you want to vote. That document is called a "proxy" or, if your shares are held in "street name" (i.e., through a bank, broker or other nominee) and you give instructions to the record holder of your shares, is called a "voting instruction card." You also may choose to abstain from voting.

This Proxy Statement and the accompanying proxy or voting instruction card is furnished in connection with the solicitation by the Board, of proxies for use at the Annual Meeting to be held on Wednesday, November 27, 2019 starting at 11:00 a.m., Anguillian Time, at Ground Floor, Hansa Bank Building, Landsome Road, The Valley, Anguilla, British West Indies or any adjournment thereof. The Notice Regarding the Availability of Proxy Materials, this Proxy Statement and our 2019 Annual Report are first being made available to stockholders on or about October 11, 2019.

Q: How are proxies being solicited and who pays the related expenses?

A: Proxies are being solicited principally by mail, by telephone and through the Internet. In addition to sending you these materials, some of our directors and officers, as well as management employees, may contact you by telephone, mail, email or in person. You may also be solicited by means of news releases issued by the Company, postings on our website, <https://investor.kidoz.net> and print advertisements. None of our officers or employees will receive any extra compensation for soliciting you.

Q: Who is entitled to vote?

A: Only record holders of shares of our Common Stock ("Common Stock"), at the close of business on the record date for the Annual Meeting are entitled to vote at the Annual Meeting. The Board has fixed the close of business on October 8, 2019, as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting.

Our authorized capital stock consists of an unlimited number of common stock without par value (the "Common Stock"). As of October 8, 2019, there were 131,124,989 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to notice of, and one vote on all matters submitted for shareholder approval.

Q: How can I access the proxy materials on the Internet?

A: In accordance with the rules of the SEC, we are using the Internet as the primary means of furnishing proxy materials to stockholders. Accordingly, most stockholders will not receive paper copies of our proxy materials. We instead sent stockholders a Notice Regarding the Availability of Proxy Materials (the "Notice") with instructions for accessing the proxy materials via the Internet and voting via the Internet or by telephone. The Notice was mailed on or about October 11, 2019. The Notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose.

The Notice provides you with instructions regarding how to:

- view the proxy materials for the Annual Meeting on the Internet and execute a proxy; and
- instruct us to send future proxy materials to you in printed form or electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Q: How do I receive a copy of the Annual report?

A: The 2018 Form 10-K is being mailed with this Proxy Statement to those stockholders that received a copy of the proxy materials in the mail. For those stockholders that received the Notice, this Proxy Statement and our 2018 Form 10-K are available at our website at <https://investor.kidoz.net>. Upon written request by any stockholder to the Company, Hansa Bank Building, Ground Floor, Landsome Road, The Valley, AI 2640, The Valley, Anguilla, British West Indies, Attention: H. Bromley, CFO, we will furnish, without charge, a copy of the 2018 Form 10-K. You can also obtain copies of our Form 10-K and any other reports we file with the SEDAR at www.sedar.com or on our website at <https://investor.kidoz.net>.

Q: How do I vote?

A: You can vote either in person at the Annual Meeting or by proxy, whether or not you attend the Annual Meeting. You can vote by proxy in three ways:

- By mail—If you are a stockholder of record, you can submit a proxy by completing, dating, signing and returning your proxy in the postage paid envelope provided. You should sign your name exactly as it appears on the proxy. If you are signing in a representative capacity (for example, as a guardian, executor, trustee, custodian, attorney or officer of a corporation), please indicate your name and title or capacity. If you are a beneficial owner, you have the right to direct your brokerage firm, bank or other similar organization on how to vote your shares, and the brokerage firm, bank or other similar organization is required to vote your shares in accordance with your instructions. To provide instructions to your brokerage firm, bank or other similar organization by mail, please complete, date, sign and return your voting instruction card in the postage paid envelope provided by your brokerage firm, bank or other similar organization.
- By telephone—If you are a stockholder of record, you can submit a proxy by telephone by calling the toll-free number listed on the proxy, entering your control number located on the proxy or voting instruction card and following the prompts. If you are a beneficial owner and if the brokerage firm, bank or other similar organization that holds your shares offers telephone voting, you will receive instructions from the brokerage firm, bank or other similar organization that you must follow in order to submit a proxy by telephone.
- By Internet—If you are a stockholder of record, you can submit a proxy over the Internet by logging on to the website listed on the proxy, entering your control number located on the proxy or voting instruction card and submitting a proxy by following the on-screen prompts. If you are a beneficial owner, and if the brokerage firm, bank or other similar nominee that holds your shares offers Internet voting, you will receive instructions from the brokerage firm, bank or other similar organization that you must follow in order to submit your proxy over the Internet.

Your vote is important. The Board urges you to submit a proxy for your shares as soon as possible by following the instructions provided on the enclosed proxy or voting instruction card you receive from your brokerage firm, bank or other similar organization. Internet and telephone submission of proxies is available 24 hours a day, and, if you use one of those methods, you do not need to return a proxy or voting instruction card. Unless you are planning to vote at the Annual Meeting in person, your proxy must be received by 11:59 p.m., Eastern Time, on Monday, November 25, 2019. Even if you submit your proxy or voting instructions by one of the methods listed above, you still may vote at the Annual Meeting in person if you are the record holder of your shares. If you are a beneficial owner, you must obtain a "legal proxy" from the record holder in order to vote your shares at the Annual Meeting. Your vote at the Annual Meeting will constitute a revocation of your earlier proxy or voting instructions.

Q: What happens if I do not provide instructions on how to vote or if other matters are presented for determination at the Annual meeting?

A: If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If your shares are held in your name (i.e., not in "street name" through a broker) and if you sign your proxy card, but do not specify how you want your shares to be voted, the persons named as proxy holders on the proxy card will vote as the Board recommends.

As of the date of this Proxy Statement, we do not know of any other matters that may be presented for action at the meeting. Should any other business properly come before the meeting, the proxy holders will vote as the Board recommends or, if no recommendation is given, in accordance with their best judgment.

Q: What does it mean if I get more than one proxy or voting instruction card?

A: If you get more than one proxy or voting instruction card, it means that your shares are registered in more than one way. Sign and return all proxy or voting instruction cards or vote each group of shares by mail, telephone or over the Internet to ensure that all your shares are voted.

Q: Who are the proxyholders named by the Board for the Annual Meeting?

A: Mr. T. M. Williams was selected by the Board to serve as proxyholders for the Annual Meeting of stockholders voting on proxy or voting instruction cards. Each properly executed and returned proxy or voting instruction card will be voted by the proxyholders in accordance with the directions indicated thereon or, if no directions are indicated, in accordance with the recommendations of the Board. In voting by proxy with regard to the election of directors, stockholders may vote in favor of all nominees, vote in favor of one or more specific nominee(s), withhold their vote as to all nominees or withhold their vote as to one or more specific nominee(s). Each stockholder giving a proxy has the power to revoke it at any time before the shares it represents are voted. Revocation of a proxy is effective upon receipt of a later vote by telephone, Internet, receipt by the Corporate Secretary or inspectors of election of either an instrument revoking the proxy or a duly executed proxy card bearing a later date. Additionally, a stockholder may change or revoke a previously executed proxy by voting in person at the Annual Meeting.

Q: Will my shares be voted if I do not provide my proxy?

A: If you hold your shares directly in your own name, your shares will not be voted if you do not vote them or provide a proxy.

If your shares are held in the name of a brokerage firm or other nominee, your broker may vote your shares on "routine" matters even if you do not provide a proxy. The only routine matter to be voted on at the Annual Meeting is the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2019. If a brokerage firm votes your shares on a routine matter in accordance with these rules, your shares will count as present at the Annual Meeting for purposes of establishing a quorum and will count as "FOR" votes or "AGAINST" votes, as the case may be, depending on how the broker votes. Your broker does not have discretionary authority to vote on non-routine matters without instructions from you, in which case a "broker non-vote" will occur and your shares will not be voted on these matters.

Q: How many shares must be present to hold the Annual Meeting?

A: The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the shares of Common Stock outstanding and entitled to vote on the record date will constitute a quorum entitled to conduct business at the Annual Meeting. Abstentions and broker non-votes will be included in the calculation of the number of shares of Common Stock considered to be present at the Annual Meeting. Broker non-votes refer to shares held by brokers and other nominees or fiduciaries that are present at the Annual Meeting but not voted on a matter. Directors are elected by plurality vote of the votes cast at the Annual Meeting. Abstentions and broker non-votes will have no effect on the election of directors.

Q: What vote is needed to elect directors and approve other proposals?

A: At the Annual Meeting, directors will be elected and other proposals approved by a majority of the votes cast.

If you do not instruct your broker how to vote with respect to this item, your broker may not vote with respect to this proposal. For your vote to be counted, you must submit your voting instructions to your broker or custodian. Abstentions and broker non-votes will not be counted as votes cast and therefore will have no effect in determining whether the required majority vote has been attained.

Q: How will the votes be tabulated?

A: The inspectors of election appointed for the Annual Meeting will tabulate the votes cast, in person or by proxy, at the Annual Meeting and will determine whether a quorum is present.

Q: How do I revoke a proxy?

A: If you hold your shares registered in your name, you may revoke your proxy by submitting a revised one at any time before the vote to which the proxy relates. You may also revoke it by submitting a ballot at the Annual Meeting. If your shares are held in street name, there are special procedures that you must follow to revoke a proxy submitted via the Internet or by telephone or by marking, signing and returning a vote instruction card.

- Revoking your vote and submitting a new vote before the deadline of 11:59 p.m., Eastern Time, on November 25, 2019. If you submit a proxy via the Internet, by telephone or by marking, signing and returning a vote instruction card, you may revoke your proxy at any time and by any method before the deadline.
- Revoking your vote and submitting a new vote after the deadline of 11:59 p.m., Eastern Time, on November 25, 2019. If you submit a proxy via the Internet, by telephone or by marking, signing and returning a vote instruction card and wish to revoke it and submit a new proxy after the deadline has passed, you must contact your brokerage firm, bank or other similar organization and follow its requirements. We cannot assure you that you will be able to revoke your proxy and vote your shares by any of the methods described above.
- Revoking your vote and submitting a new vote by ballot at the Annual Meeting. If you submit a proxy via the Internet, by telephone or by marking, signing and returning a vote instruction card and wish to revoke it and vote at the Annual Meeting, you must contact your brokerage firm, bank or other similar organization and follow its requirements. We cannot assure you that you will be able to revoke your proxy or attend and vote at the Annual Meeting.
- If you receive more than one proxy or voting instruction card on or about the same time, it generally means you hold shares registered in more than one account. In order to vote all of your shares, please sign and return each proxy or voting instruction card or, if you vote via the internet or telephone, vote once for each proxy or voting instruction card you receive.

Q: Where can I find the results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and announce final results in a Current Report on Form 8-K that we will file with the SEC and SEDAR within four business days of the Annual Meeting.

Q: How can I attend the Annual Meeting?

A: Only stockholders and certain other permitted attendees may attend the Annual Meeting. Please note that space limitations make it necessary to limit attendance to stockholders and one guest. Admission to the Annual Meeting will be on a first-come, first-served basis. Proof of Kidoz Inc. stock ownership as of the record date, along with photo identification, will be required for admission. Stockholders holding stock in an account at a brokerage firm, bank, broker-dealer or other similar organization ("street name" holders) will need to bring a copy of a brokerage statement reflecting their stock ownership as of the record date. No cameras, recording equipment, electronic devices, use of cell phones or other mobile devices, large bags or packages will be permitted at the Annual Meeting.

Q: How do I submit a proposal or nominate a director candidate for the 2020 annual meeting of stockholders?

A: Stockholder Proposals

Stockholder proposals intended to be presented at the next Annual Meeting of Stockholders of the Company must meet the requirements of Rule 14a-8 promulgated by the Securities and Exchange Commission and must be received by the Company at its principal executive offices by February 28, 2020, in order to be considered for inclusion in the Company's proxy statement relating to such meeting.

No Stockholder proposals were received for the 2019 Annual Meeting of Stockholders of the Company.

Record Date and Voting Rights

The record date for determination of shareholders who are entitled to notice of and to vote at the Annual Meeting is October 8, 2019. This Proxy Statement and the accompanying Proxy are being sent to shareholders on or about October 11, 2019.

- The adoption of a strategic planning process for the Company;

- Succession planning for the Company including the appointment, training and monitoring of senior management; and
- The integrity of the Company’s internal control and management information systems.

3. Position Descriptions

Disclose whether or not the board has developed written position descriptions for the chair and the chair of each committee. If the board has not developed written position descriptions for the chair and/or the chair of each board committee, briefly describe how the board delineates the role and responsibilities of each such position.

Pursuant to the Board’s written mandate, the Board is responsible for developing position descriptions for the Chair of the Board and the chair of each Board committee:

- *Chairman of the Board*

The Chairman of the Board is responsible for overseeing the performance by the Board of its duties, for communicating periodically with Committee chairs regarding the activities of their respective Committees, for assessing the effectiveness of the Board as a whole as well as individual Board members and for overseeing the management of the Company’s business.

The Chairman of the Compensation Committee is responsible for overseeing the performance by the Compensation Committee of its duties, for assessing the effectiveness of the Compensation Committee and individual committee members and for reporting periodically to the Board.

Disclose whether or not the board and CEO's have developed a written position description for the CEO. If the board and CEO's have not developed such a position description, briefly describe how the board delineates the roles and responsibilities of the CEO's.

The Company's Co-Chief Executive Officers are the principal officers of the Company and are charged with the responsibility for managing the strategic and operational agenda of the Company and for the execution of the directives and policies of the Board of Directors. The roles and responsibilities of the Co-Chief Executive Officers include, among other things:

- developing, together with the Board of Directors, the Company's strategic direction;
- directing the overall business operations of the Company;
- ensuring that the Board of Directors is kept appropriately informed of the overall business operations of the Company and major issues facing the Company;

- presenting to the Board of Directors any material business issues resulting from communications with shareholders.

4. Orientation and Continuing Education

Briefly describe what measures the board takes to orient new directors regarding

- The role of the board, its committees and its directors; and***
- The nature and operation of the issuer's business.***

No formal orientation program has been developed by the Board. However, new directors have the opportunity to meet with and participate in work sessions with senior management to obtain insight into the operations of the Company. It is expected that new directors will generally have been executives with extensive business or other senior level experience and have directorship responsibilities on other public and private company boards and institutions. Orientation for these individuals is provided through a review of past Board of Director materials and other private and public documents concerning the Company. Given the level of experience of those joining the Board and the relatively short history of the Company, a formal orientation and education program has not been viewed as necessary.

Briefly describe what measures, if any, the board takes to provide continuing education for its directors. If the board does not provide continuing education, describe how the board ensures that its directors maintain the skill and knowledge necessary to meet their obligations as directors.

The Company has no formal policy of providing professional development courses to Board members, though educational sessions are occasionally presented to the Board by the Company's outside advisors. Board members are experienced business people with in-depth knowledge of the industry in which the Company operates. The Company will engage consultants on an as-needed basis to make presentations to the Board on matters relevant to the Company.

5. Ethical Business Conduct

Disclose whether or not the board has adopted a written code for the directors, officers and employees. If the board has adopted a written code disclose how a person or company may obtain a copy of the code;

On December 21, 2006, the Board adopted a new Code of Business Conduct and Ethics (the "Code"), which applies to the Company's directors, officers and employees. The Code was adopted to further strengthen the Company's internal compliance program. The Code addresses among other things, honesty and integrity, fair dealing, conflicts of interest, compliance with laws, regulations and policies,

including disclosure requirements under the federal securities laws, and administration of the code. The code is available at the Company's website at <https://investor.kidoz.net> in the Corporate section under Corporate Governance. A copy of our Code of Ethics is available upon request at no charge to any shareholder.

Describe how the board monitors compliance with its code, or if the board does not monitor compliance, explain whether and how the board satisfies itself regarding compliance with its code;

The Board is ultimately responsible for the implementation and administration of the Code of Business Conduct and Ethics and, given the nature and size of the Company, the Board is of the view that it can effectively monitor the day-to-day implementation and administration of the Code.

Provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code.

There are no such reports.

Describe any steps the board takes to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

A director or officer of the Company must declare the nature of any interest that he or she has in a material contract, whether made or proposed, with the Company. Following such a declaration, Board members will abstain from voting on any resolution in which they may have a potential conflict of interest.

Describe any other steps the board takes to encourage and promote a culture of ethical business conduct.

The Board monitors management on a regular basis. The Company is dedicated to the maintenance of good corporate governance and ethical business conduct. In particular, the Board takes special efforts, and engages outside counsel where necessary, to ensure that all legal and stock exchange requirements are addressed in a timely and effective manner. The Board is responsible for ensuring the independent functioning of the Board and ensuring the integrity of the Company's internal control and management function.

6. Compensation

Describe the process by which the board determines the compensation for the issuer's directors and officers.

The Compensation Committee recommends compensation policies to the Board and sets the compensation of the Co-Chief Executive Officers of the Company. The Committee's guiding philosophy is to establish executive compensation based on corporate performance.

If the board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.

The mandate of the Compensation Committee is to establish and monitor the Company's policies for attracting, retaining, developing and motivating senior employees. The compensation policies are designed to support the Company's strategic objectives, ensure that incentive programs are designed to motivate senior managers to achieve or exceed corporate objectives and to enhance shareholder value and to ensure that there is reasonable consistency in the application of the compensation policies. The Company's responsibilities include reviewing annually the performance of the Co-Chief Executive Officers (or more frequently if deemed necessary by the Compensation Committee), setting the Co-Chief Executive Officer's compensation and, in consultation with the Co-Chief Executive Officer, establishing his personal objectives, reviewing the performance and approving the compensation of executive officers of the Company on the recommendation of the Co-Chief Executive Officer, establishing incentive compensation programs and monitoring their effectiveness and developing and documenting the compensation policy and philosophy of the Company for approval by the Board of Directors.

If a compensation consultant or advisor has, at any time since the beginning of the issuer's most recently completed financial year, been retained to assist in determining compensation for any of the issuer's directors and officers, disclose the identity of the consultant or advisor and briefly summarize the mandate for which they have been retained. If the consultant or advisor has been retained to perform any other work for the Issuer, state that fact and briefly describe the nature of the work.

Not Applicable.

Other Board Committees

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The Board's three standing committees are the Audit Committee, the Corporate Governance Committee, and the Compensation Committee. The Audit Committee has a written mandate, a copy of which is attached hereto as Appendix II.

7. Assessments

Disclose whether or not the board, its committees and individual directors are regularly assessed with respect to their effectiveness and contribution. If assessments are regularly conducted, describe the process used for the assessments. If assessments are not regularly conducted, describe how the board satisfies itself that the board, its committees, and its individual directors are performing effectively.

The Board of Directors as a whole annually reviews and assesses its effectiveness and the effectiveness of the Board committees. In addition, the Corporate Governance and Nominating Committee meet separately to assess the effectiveness of the Board and its committees.

- (b) providing continuing education opportunities for all directors, so that individuals may maintain or enhance their skills and

1.3 HEADINGS

The headings used herein are for convenience only and are not to affect the interpretation of the Plan.

ARTICLE II PURPOSE AND PARTICIPATION

2.1 PURPOSE

The purpose of the Plan is to provide the Company with a Share-related mechanism to attract, retain and motivate Directors, Employees and Consultants, to reward such of those persons by the grant of options under the Plan by the Board from time to time for their contributions toward the long term goals of the Company and to enable and encourage such persons to acquire Shares as long term investments.

2.2 PARTICIPATION

The Board shall, from time to time, in its sole discretion determine those Directors, Employees and Consultants, if any, to whom Options are to be awarded. If the Board elects to award an Option to a Director, the Board shall, in its sole discretion but subject to section 3.2, determine the number of Shares to be acquired on the exercise of such Option. If the Board elects to award an Option to an Employee or Consultant, the number of Shares to be acquired on the exercise of such Option shall be determined by the Board in its sole discretion, and in so doing the Board may take into account the following criteria:

- (a) the person’s remuneration as at the Award Date in relation to the total remuneration payable by the Company to all of its Employees and Consultants as at the Award Date;
- (b) the length of time that the person has provided services to the Company; and
- (c) the nature and quality of work performed by the person.

2.3 NOTIFICATION OF AWARD

Following the approval by the Board of the awarding of an Option, the Administrator shall notify the Option Holder in writing of the award and shall enclose with such notice the Option Certificate representing the Option so awarded.

2.4 COPY OF PLAN

ARTICLE III TERMS AND CONDITIONS OF OPTIONS

3.1 BOARD TO ALLOT SHARES

The Shares to be issued to Option Holders upon the exercise of Options shall be allotted and authorized for issuance by the Board prior to the exercise thereof.

3.2 NUMBER OF SHARES

The maximum number of Shares issuable under the Plan shall not exceed 10% of the number of Shares of the Company issued and outstanding as of each Award Date, inclusive of all Shares presently reserved for issuance pursuant to previously granted stock options, unless shareholder approval is obtained in advance in accordance with section 6.5 hereof.

Options that have been cancelled or that have expired without being exercised in full shall continue to be issuable under the Plan. Subject to the provisions of section 6.5, Options that have been exercised will reduce the total number of Options available to be granted hereunder.

3.3 TERM OF OPTION

Subject to section 3.5, the Expiry Date of an Option shall be the date so fixed by the Board at the time the particular Option is awarded, provided that such date shall not be later than the tenth anniversary of the Award Date of the Option, or such other maximum amount of time as may be allowable under the policies of the Exchange.

3.4 LIMITATIONS AND REQUIREMENTS

The total number of Options awarded to any one individual in any twelve month period shall not exceed 5% of the issued and outstanding Shares of the Company at the Award Date (unless the Company has obtained disinterested shareholder approval).

The total number of Options awarded to any one Consultant for the Company shall not exceed 2% of the issued and outstanding Shares of the Company at the Award Date without consent being obtained from the Exchange.

The total number of Options awarded to all persons employed by the Company who perform Investor Relations Activities for the Company shall not exceed 2% of the issued and outstanding Shares of the Company, in any twelve month period, calculated at the Award Date without consent being obtained from the Exchange.

The Company shall issue a press release at the time of grant for all Options issued to Insiders of the Company and investor relations service providers.

All Options granted to Insiders of the Company or granted at any discount to the market price of the Company's shares will be subject to a four month hold period which commences on the date that the Options are granted.

3.5 TERMINATION OF OPTION

An Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix limits, vesting requirements or restrictions in respect of which an Option Holder may exercise part of any Option held by him. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of 5:00 p.m. (Vancouver time) on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Board on the Award Date referred to in section 3.3 above, and the date established, if applicable, in subsections (a) to (c) below.

(a) Death

In the event that the Option Holder should die while he or she is still (i) a Director or Employee, (other than an Employee performing Investor Relations Activities) the Expiry Date shall be 12 months from the

date of death of the Option Holder; or (ii) a Consultant, or an Employee performing Investor Relations Activities, the Expiry Date shall be one month from the date of death of the Option Holder.

(b) Ceasing to Hold Office

Unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as Director and such Option Holder ceases to be a Director of the Company other than by reason of death, the Expiry Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director of the Company unless the Option Holder continues to be engaged by the Company as an Employee or Consultant, in which case the Expiry Date shall remain unchanged. However, if the Option Holder ceases to be a Director of the Company as a result of:

- (i) ceasing to meet the qualifications set forth in s.114 of the Business Corporations Act (British Columbia) or section 40 of the International Business Companies Act of Anguilla; or
- (ii) a special resolution having been passed by the members of the Company pursuant to the Company's bylaws,

then the Expiry Date shall be the date the Option Holder ceases to be a Director of the Company.

(c) Ceasing to be Employed

Unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company (other than an Employee or Consultant performing Investor Relations Activities) and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date of the Option shall be the 30th day following the date the Option Holder ceases to be an Employee or Consultant of the Company unless the Option Holder ceases to be such as a result of:

- (i) termination for cause; or
- (ii) an order of the British Columbia Securities Commission, the Exchange, or any regulatory body having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

(d) Ceasing to Perform Investor Relations Activities

Notwithstanding the paragraph (c) immediately above, and unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company who provides Investor Relations Activities on behalf of the Company, and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

3.6 EXERCISE PRICE

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that it shall not be less than the closing price of the Company's Shares traded through the facilities of the Exchange (or, if the Shares are no longer listed for trading on the Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading) on the day preceding the Award Date, less any discount permitted by the Exchange, or such other price as may be required or permitted by the Exchange.

3.7 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, and all Option Certificates will be so legended, provided however that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.8 PAYROLL WITHHOLDING

If the Company is required under the Income Tax Act (Canada) or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of Options, then the Option Holder shall:

- (a) pay to the Company, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Company to be the amount necessary to permit the required tax remittance;
- (b) authorize the Company, on behalf of the Option Holder, to sell in the market on such terms and at such time or times as the Company determines a portion of the Common Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
- (c) make other arrangements acceptable to the Company to fund the required tax remittance.

3.9 ADJUSTMENTS

If prior to the complete exercise of any Option the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the “Event”), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options.

3.10 EXERCISE RESTRICTIONS

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded on the applicable Option Certificate.

Notwithstanding the above, Options issued to Consultants performing Investor Relations Activities must vest in stages over at least twelve months with not more than one-quarter of the Options vesting in any three month period.

3.11 REPRESENTATIONS

For Options granted to Employees, Consultants or Management Company Employees, both the Company and the Option Holder will represent that the Option Holder is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

ARTICLE IV EXERCISE OF OPTION

4.1 EXERCISE OF OPTION

An Option may be exercised only by the Option Holder or his Personal Representative. An Option Holder or his Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

4.2 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

4.3 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

4.4 MONITORING OF TRADES

An Option Holder who performs Investor Relations Activities shall provide written notice to the Board of each of his trades of securities of the Company, within five business days of each trade.

ARTICLE V ADMINISTRATION

5.1 ADMINISTRATION

The Plan shall be administered by the Board, or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan. The Board or such committee may make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations shall form part of this Plan. The Board may delegate to the Administrator or any Director, Employee or officer of the Company such administrative duties and powers as it may see fit.

5.2 INTERPRETATION

The interpretation by the Board or its authorized committee of any of the provisions of this Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

ARTICLE VI APPROVALS, AMENDMENTS AND TERMINATION

6.1 APPROVALS REQUIRED FOR PLAN

Prior to its implementation by the Company, this Plan is subject to the receipt of approval by the shareholders of the Company at a general meeting and approval of the Exchange.

6.2 PROSPECTIVE AMENDMENT

Subject to applicable regulatory approval, the Board may from time to time amend this Plan and the terms and conditions of any Option thereafter to be awarded and, without limiting the generality of the foregoing, may make such amendments for the purpose of meeting any changes in any relevant law, Exchange policy, rule or regulation applicable to this Plan, any Option or the Shares, or for any other purpose which may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment.

6.3 RETROACTIVE AMENDMENT

Subject to applicable regulatory approval, the Board may from time to time retroactively amend this Plan and may also, with the consent of the affected Option Holders, retroactively amend the terms and conditions of any Options which have been previously awarded.

6.4 EXCHANGE APPROVAL

With the consent of affected Option Holders, the Board may amend the terms of any outstanding Option so as to reduce the number of optioned Shares, increase the Exercise Price, or cancel an Option without Exchange approval. Any other amendment will be subject to receiving prior Exchange approval.

6.5 SHAREHOLDER APPROVAL

This Plan must be approved by the Company's shareholders annually, at a duly called meeting of the shareholders. Disinterested shareholder approval (as defined in Exchange policy) will be required for: (i) any reduction in the exercise price of Options granted to Insiders, if the Option Holder is an Insider of the Company at the time of the proposed amendment; and (ii) the situations where the Plan, together with all other outstanding options, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the Company's issued Shares;
- (b) the grant to Insiders, within a 12 month period, of a number of options exceeding 10% of the Company's issued Shares;
- (c) the issuance to any one Option Holder, within a 12 month period, of a number of Shares exceeding 5% of the Company's Shares, or
- (d) such other maximum amounts as may allowable under the policies of the Exchange.

6.6 TERMINATION

The Board may terminate this Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination and notwithstanding such termination the Company, such Options and such Option Holders shall continue to be governed by the provisions of this Plan.
