Dear Stockholder:

2021 was another record breaking year for Kidoz Inc. Kidoz extended its market leading position as the premier safe advertising solution on mobile devices reaching more devices and delivering more impressions than any other safe ad provider. Kidoz continues to expand its product and service offering which now includes brand awareness solutions, performance install services, and programmatic connections for both advertisers and publishers. Kidoz has built a powerful software platform and a global sales and service operation that has become the critical path to compliant kid safe media on mobile devices.

As the Kidoz brand continues to grow in the global AdTech economy and as our latest software products are released, management believes our trajectory of growth will continue. Kidoz's investments in technology help to build upon our leadership position for safe and private contextual mobile ad monetization. Our technology teams are building programmatic connections to leading app developers and integrating with the leading ad tech platforms so that we ensure our centrality in the wider advertising eco-system. During 2021, the Kidoz team made strides to achieve this vision and have positioned its technology to expand to new market segments, increase the number of available impressions we can fill, and scale our revenues quickly as we on-board new advertisers and new app publishers in the global marketplace.

Our vision is to create a free and safe mobile experience by enabling content producers to monetize with safe, relevant, and fun advertising. Without a safe advertising eco-system, mobile content cannot be free. The Kidoz Connect safe advertising network is increasingly popular with app developers and brand advertisers because of following several powerful trends that are occurring in the marketplace.

- 1) Government regulations to protect children online have been implemented in many countries including America (COPPA), Europe (GDPR), and Brazil (LGPD) and many other countries including China and India are expected to adopt their own child-safe privacy regulations. Pending policy changes in California look to strengthen privacy regulations by increasing the age of digital minority from 13 to 18 vastly increasing Kidoz' target audience.
- 2) Country regulators are beginning to initiate significant fines to companies that violate data privacy regulations. YouTube, InstaGram and many other fines have been handed to companies in violation of handling child data.
- 3) Traditional television is in rapid decline and children are shifting their entertainment time to apps on mobile devices.
- 4) Google and Apple, the App store owners, have enacted their own kid-safe policies that app developers, kids brands, and advertising networks must follow. The adoption of age screening gates inside mobile games presents significant opportunities for Kidoz to advance the adoption of its technology
- 5) In-game advertising has become the preferred option for enabling free content for game players and there is a constantly increasing amount of games and gameplay.
- 6) Advertising budgets are following kids to mobile and shifting away from television and other non-interactive media channels.

The decline of traditional linear television creates a difficult challenge for advertisers and they are turning to mobile networks to fill this advertising void. In the report “Deconstructing Mobile & Tablet Gaming” published by The NDP Group Inc. it was found that, of the 303.7 million total mobile users in the US and Canada in 2020, 238.7 million were active mobile gamers. This represents 79% of the North American population who use mobile devices to play mobile apps.

2021 saw Kidoz succeed amongst a global shift in consumer and commercial behaviours. Our strategies, teams, and products have proven to be successful in the wider advertising ecosystem and Kidoz technology now reaches hundreds of millions of kids and families every month. Mobile continues to grow and Kidoz's proprietary products are only beginning to show their potential in the high-growth global market of in-app advertising.

For 2022, Kidoz is well positioned to increase market share and continue on the path of rapid revenue growth. The Kidoz strategy is to create high performing mobile digital advertising free of data tracking is succeeding. As the new age of digital advertising advances that is free of IDFA and other persistent trackers, Kidoz stands to benefit. Advertising budgets are applied to the most performant and highest quality media providers and the Kidoz offering is increasingly purchased by brands and agencies in more than 50 countries globally. As the Kidoz technology develops to reach more devices and supports new initiatives, Kidoz's revenues and profits will continue to grow.

As a result, we furnish proxy materials primarily via the Internet instead of mailing a printed copy of the proxy materials. Stockholders will receive a Notice of Internet Availability of Proxy Materials (the "Notice") by mail which provides the website and other information on how to access and review the Proxy Statement and proxy materials over the Internet at the Company's website at <https://investor.kidoz.net>. As of the date of the mailing of the Notice, stockholders will be able to access all of the proxy materials over the Internet at the Company's website at <https://investor.kidoz.net>, as instructed in the Notice. The proxy materials will be available free of charge. The Notice will provide instructions on how to vote over the Internet or by phone.

Q: What is the purpose of Annual Meeting?

A: We will hold the Annual Meeting to enable stockholders to vote on the following matters:

- Proposal 1. To fix the number of directors of the Company to be elected at the Meeting at 6 members;
- Proposal 2. To elect the six director nominees identified in this Proxy Statement to serve as directors of the Company until the 2023 Annual Meeting of Stockholders;
- Proposal 3. To appoint auditors for the Company for the ensuing financial year and to authorize the directors to fix the remuneration to be paid to the auditors;

- Proposal 5. To consider, and if thought fit, authorize, by an ordinary resolution, the board of directors to effect continuation of the Company out of Anguilla and into British Columbia, if they determine that doing so would be advisable and in the best interests of the Company and its shareholders;

Stockholders will be asked to vote for nominees for all director seats on the Board as of the Annual Meeting. The term of office for directors elected at the Annual Meeting will continue until their respective duly qualified successors are duly elected at the 2023 Annual Meeting of Shareholders of the Company or until their earlier removal, resignation or death.

The nominees for election are:

Mr. T. M. Williams, Mr. J. M. Williams, Mr. E. Ben Tora, Mr. C. Kalborg, Ms. F. Curtis, and Mr. M. David.

Q: What is a proxy?

A: A proxy is a document by which you authorize someone else to vote for you at a stockholder meeting in the way that you want to vote. That document is called a "proxy" or, if your shares are held in "street name" (i.e., through a bank, broker or other nominee) and you give instructions to the record holder of your shares, is called a "voting instruction card." You also may choose to abstain from voting.

This Proxy Statement and the accompanying proxy or voting instruction card are furnished in connection with the solicitation by the Board of proxies for use at the Annual Meeting to be held on Wednesday, November 30, 2022, starting at 11:00 a.m., Anguillian Time, at Ground Floor, Hansa Bank Building, Landsome Road, The Valley, Anguilla, British West Indies and virtually via live webcast online at Zoom and at any adjournment or postponement thereof. The Notice Regarding the Availability of Proxy Materials, this Proxy Statement and our 2021 Annual Report are first being made available to stockholders on or about October 11, 2022.

Q: How are proxies being solicited and who pays the related expenses?

A: Proxies are being solicited principally by mail, by telephone and through the Internet. In addition to sending you these materials, some of our directors and officers, as well as management employees, may contact you by telephone, mail, email or in person. You may also be solicited by means of news releases issued by the Company, postings on our website, <https://investor.kidoz.net> and print advertisements. None of our officers or employees will receive any extra compensation for soliciting you.

Q: Who is entitled to vote?

A: Only record holders of shares of our Common Stock at the close of business on the record date for the Annual Meeting are entitled to vote at the Annual Meeting. The Board has fixed the close of business on October 11, 2022, as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting.

Our authorized capital stock consists of an unlimited number of common shares without par value ("Common Stock"). As of October 11, 2022, 131,581,499 shares of Common Stock were issued and outstanding. Each share of Common Stock is entitled to notice of, and one vote on all matters submitted for shareholder approval.

Q: How can I access the proxy materials on the Internet?

A: In accordance with the rules of the SEC, we are using the Internet as the primary means of furnishing proxy materials to stockholders. Accordingly, most stockholders will not receive paper copies of our proxy materials. We instead sent stockholders a Notice Regarding the Availability of Proxy Materials (the "Notice") with instructions for accessing the proxy materials via the Internet and voting via the Internet or by telephone. The Notice will be mailed on or about October 21, 2022. The Notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose.

The Notice provides you with instructions regarding how to:

- view the proxy materials for the Annual Meeting on the Internet and execute a proxy; and
- instruct us to send future proxy materials to you in printed form or electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Q: How do I receive a copy of the Annual report?

A: The 2021 Form 10-K is being mailed with this Proxy Statement to those stockholders that received a copy of the proxy materials in the mail. For those stockholders that received the Notice, this Proxy Statement and our 2021 Form 10-K are available at our website at <https://investor.kidoz.net>. Upon written request by any stockholder to the Company, Hansa Bank Building, Ground Floor, Landsome Road, The Valley, AI 2640, The Valley, Anguilla, British West Indies, Attention: H. Bromley, CFO, we will furnish, without charge, a copy of the 2021 Form 10-K. You can also obtain copies of our Form 10-K and any other reports we file with SEDAR at www.sedar.com or on our website at <https://investor.kidoz.net>.

Q: How do I vote?

A: You can vote either in person at the Annual Meeting or by proxy, whether or not you attend the Annual Meeting. You can vote by proxy in three ways:

- By mail—If you are a stockholder of record, you can submit a proxy by completing, dating, signing and returning your proxy in the postage paid envelope provided. You should sign your name exactly as it appears on the proxy. If you are signing in a representative capacity (for example, as a guardian, executor, trustee, custodian, attorney or officer of a corporation), please indicate your name and title or capacity. If you are a beneficial owner, you have the right to direct your brokerage firm, bank or other similar organization on how to vote your shares, and the brokerage firm, bank or other similar organization is required to vote your shares in accordance with your instructions. To provide instructions to your brokerage firm, bank or other similar organization by mail, please complete, date, sign and return your voting instruction card in the postage paid envelope provided by your brokerage firm, bank or other similar organization.
- By telephone—If you are a stockholder of record, you can submit a proxy by telephone by calling the toll-free number listed on the proxy, entering your control number located on the proxy or voting instruction card and following the prompts. If you are a beneficial owner and if the brokerage firm, bank or other similar organization that holds your shares offers telephone voting, you will receive instructions from the brokerage firm, bank or other similar organization that you must follow in order to submit a proxy by telephone.
- By Internet—If you are a stockholder of record, you can submit a proxy over the Internet by logging on to the website listed on the proxy, entering your control number located on the proxy or voting instruction card and submitting a proxy by following the on-screen prompts. If you are a beneficial owner, and if the brokerage firm, bank or other similar nominee that holds your shares offers Internet voting, you will receive instructions from the brokerage firm, bank or other similar organization that you must follow in order to submit your proxy over the Internet.

Your vote is important. The Board urges you to submit a proxy for your shares as soon as possible by following the instructions provided on the enclosed proxy or voting instruction card you receive from your brokerage firm, bank or other similar organization. Internet and telephone submission of proxies is available 24 hours a day, and, if you use one of those methods, you do not need to return a proxy or voting instruction card. Unless you are planning to vote at the Annual Meeting in person, your proxy must be received by 11:59 p.m., Eastern Caribbean Time Zone, on Sunday, November 27, 2022. Even if you submit your proxy or voting instructions by one of the methods listed above, you still may vote at the Annual Meeting in person if you are the record holder of your shares. If you are a beneficial owner, you must obtain a "legal proxy" from the record holder in order to vote your shares at the Annual Meeting. Your vote at the Annual Meeting will constitute a revocation of your earlier proxy or voting instructions.

Q: What happens if I do not provide instructions on how to vote or if other matters are presented for determination at the Annual meeting?

A: If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If your shares are held in your name (i.e., not in "street name" through a broker) and if you sign your proxy card, but do not specify how you want your shares to be voted, the persons named as proxy holders on the proxy card will vote as the Board recommends.

As of the date of this Proxy Statement, we do not know of any other matters that may be presented for action at the meeting. Should any other business properly come before the meeting, the proxy holders will vote as the Board recommends or, if no recommendation is given, in accordance with their best judgment.

Q: What does it mean if I get more than one proxy or voting instruction card?

A: If you get more than one proxy or voting instruction card, it means that your shares are registered in more than one way. Sign and return all proxy or voting instruction cards or vote each group of shares by mail, telephone or over the Internet to ensure that all your shares are voted.

Q: Who are the proxyholders named by the Board for the Annual Meeting?

A: Mr. T. M. Williams was selected by the Board to serve as proxyholder for the Annual Meeting of stockholders voting on proxy or voting instruction cards. Each properly executed and returned proxy or voting instruction card will be voted by the proxyholders in accordance with the directions indicated thereon or, if no directions are indicated, in accordance with the recommendations of the Board. In voting by proxy with regard to the election of directors, stockholders may vote in favor of all nominees, vote in favor of one or more specific nominee(s), withhold their vote as to all nominees or withhold their vote as to one or more specific nominee(s). Each stockholder giving a proxy has the power to revoke it at any time before the shares it represents are voted. Revocation of a proxy is effective upon receipt of a later vote by telephone, Internet, receipt by the Corporate Secretary or inspectors of election of either an instrument revoking the proxy or a duly executed proxy card bearing a later date. Additionally, a stockholder may change or revoke a previously executed proxy by voting in person at the Annual Meeting.

Q: Will my shares be voted if I do not provide my proxy?

A: If you hold your shares directly in your own name, your shares will not be voted if you do not vote them or provide a proxy.

If your shares are held in the name of a brokerage firm or other nominee, your broker may vote your shares on "routine" matters even if you do not provide a proxy. The only routine matter to be voted on at the Annual Meeting is the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2021. If a brokerage firm votes your shares on a routine matter in accordance with these rules, your shares will count as present at the Annual Meeting for purposes of establishing a quorum and will count as "FOR" votes or "AGAINST" votes, as the case may be, depending on how the broker votes. Your broker does not have discretionary authority to vote on non-routine matters without instructions from you, in which case a "broker non-vote" will occur and your shares will not be voted on these matters.

Q: How many shares must be present to hold the Annual Meeting?

A: The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the shares of Common Stock outstanding and entitled to vote on the record date will constitute a quorum entitled to conduct business at the Annual Meeting. Abstentions and broker non-votes will be included in the calculation of the number of shares of Common Stock considered to be present at the Annual Meeting. Broker non-votes refer to shares held by brokers and other nominees or fiduciaries that are present at the Annual Meeting but not voted on a matter. Directors are elected by plurality vote of the votes cast at the Annual Meeting. Abstentions and broker non-votes will have no effect on the election of directors.

Q: What vote is needed to elect directors and approve other proposals?

A: At the Annual Meeting, directors will be elected and other proposals approved by a majority of the votes cast.

If you do not instruct your broker how to vote with respect to this item, your broker may not vote with respect to this proposal. For your vote to be counted, you must submit your voting instructions to your broker or custodian. Abstentions and broker non-votes will not be counted as votes cast and therefore will have no effect in determining whether the required majority vote has been attained.

Q: How will the votes be tabulated?

A: The inspectors of election appointed for the Annual Meeting will tabulate the votes cast, in person or by proxy, at the Annual Meeting and will determine whether a quorum is present.

Q: How do I revoke a proxy?

A: If you hold your shares registered in your name, you may revoke your proxy by submitting a revised one at any time before the vote to which the proxy relates. You may also revoke it by submitting a ballot at the Annual Meeting.

If your shares are held in street name, there are special procedures that you must follow to revoke a proxy submitted via the Internet or by telephone or by marking, signing and returning a vote instruction card.

- Revoking your vote and submitting a new vote before the deadline of 11:00 a.m., Eastern Caribbean Time Zone, on November 28, 2022. If you submit a proxy via the Internet, by telephone or by marking, signing and returning a vote instruction card, you may revoke your proxy at any time and by any method before the deadline.
- Revoking your vote and submitting a new vote after the deadline of 11:00 a.m., Eastern Caribbean Time Zone, on November 28, 2022. If you submit a proxy via the Internet, by telephone or by marking, signing and returning a vote instruction card and wish to revoke it and submit a new proxy after the deadline has passed, you must contact your brokerage firm, bank or other similar organization and follow its requirements. We cannot assure you that you will be able to revoke your proxy and vote your shares by any of the methods described above.
- Revoking your vote and submitting a new vote by ballot at the Annual Meeting. If you submit a proxy via the Internet, by telephone or by marking, signing and returning a vote instruction card and wish to revoke it and vote at the Annual Meeting, you must contact your brokerage firm, bank or other similar organization and follow its requirements. We cannot assure you that you will be able to revoke your proxy or attend and vote at the Annual Meeting.
- If you receive more than one proxy or voting instruction card on or about the same time, it generally means you hold shares registered in more than one account. In order to vote all of your shares, please sign and return each proxy or voting instruction card or, if you vote via the internet or telephone, vote once for each proxy or voting instruction card you receive.

Q: Where can I find the results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and announce final results in a Current Report on Form 8-K that we will file with the SEC and SEDAR within four business days of the Annual Meeting.

Q: How can I attend the Annual Meeting?

A: Only stockholders and certain other permitted attendees may attend the Annual Meeting. Please note that space limitations make it necessary to limit attendance in person to stockholders and one guest. Admission to the Annual Meeting will be on a first-come, first-served basis. Proof of Kidoz Inc. stock ownership as of the record date, along with photo identification, will be required for admission. Stockholders holding stock in an account at a brokerage firm, bank, broker-dealer or other similar organization ("street name" holders) will need to bring a copy of a brokerage statement reflecting their stock ownership as of the record date. No cameras, recording equipment, electronic devices, use of cell phones or other mobile devices, large bags or packages will be permitted at the Annual Meeting.

The Company's stock-based compensation program provides stock options that create a direct link between executive rewards and enhanced shareholder value, since the full benefit of this compensation element cannot be realized unless stock appreciation occurs over a number of years.

The Company currently has in place a 10% "rolling" stock option plan, which was implemented by the Company on completion of its listing on Tier 2 of the TSX Venture Exchange ("TSX-V") effective July 2, 2015, and in the year ended December 31, 2020 an Israeli Taxpayers Appendix that has been approved by the TSX-V (the original plan, together with the Israeli Taxpayers Appendix approved for inclusion therein, herein referred to as the "2015 Plan") was included. Pursuant to the policies of the TSX-V, shareholders are required to approve such "rolling" stock option plans on a yearly basis. The 2015 Plan complies with the requirements of the TSX-V's Policy 4.4. Under the 2015 Plan, the Company may grant stock options pursuant to which common shares may be purchased by directors, officers, employees and consultants of the Company up to a maximum of 10% of the issued and outstanding capital of the Company.

The Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the Board of Directors of the Company and subject to regulatory requirements, it may be amended by the Board of Directors of the Company without further shareholder approval. A copy of the 2015 Plan is attached as Schedule “B”.

PROPOSAL NO. 5 – AUTHORIZING THE BOARD OF DIRECTORS TO EFFECT CONTINUATION OF THE COMPANY OUT OF ANGUILLA AND INTO BRITISH COLUMBIA, IF THEY DETERMINE THAT DOING SO WOULD BE ADVISABLE AND IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS.

Shareholders will be asked to consider, if thought fit, pass a resolution authorizing the directors of the Company, should they, at any time prior to the next annual meeting of the shareholders of the Company, determine, in any circumstances which may warrant consideration thereof, that it would be advisable and in the best interests of the Company and its shareholders to do so, to cause the Company to apply for continuation into British Columbia (Canada) as a company under the British Columbia *Business Corporations Act* (and for certification of its discontinuance as a corporation subsisting under the Anguilla *Business Companies Act, 2022*), and, in connection therewith, to take or cause to be taken all such actions as may be necessary to effect such continuation (and certification of discontinuance), including rescission of the existing memorandum of incorporation, articles and by-laws of the Company and replacement thereof with a notice of articles and articles in such forms as the directors of the Company may determine would, in the applicable circumstances, best meet the needs and interests of the Company and its shareholders and satisfy the requirements of the British Columbia *Business Corporations Act*.

Authority to Continue the Company out of Anguilla and into British Columbia.

The Company was, from 2005 to date, a Company advantageously subsisting under the Anguilla *International Business Corporations Act*. The Anguillan Government, in response to recommendations by the Organisation for Economic Co-operation and Development (OECD), recently enacted the new Anguilla *Business Companies Act, 2022*, which, by the Company's adherence to provisions thereof, now governs the corporate affairs of the Company and the Company now subsists under that statute.

Management believes that it will hereafter be less advantageous to the Company and its shareholders, with respect to the execution of its present and future business plans and generally, for the Company to subsist as an Anguilla corporation and that its situation would be improved, in those regards and generally, if it were to be continued into British Columbia, Canada, as a company subsisting under the British Columbia *Business Corporations Act* ("Continuance") and discontinued as a corporation subsisting under the Anguilla *Business Companies Act, 2022*.

Management believes that the Company's tax liabilities after Continuance would not exceed those to which it would be exposed if it were to continue to subsist as an Anguilla corporation.

Management believes that Continuance would likely reduce the cost of maintaining the Company's corporate headquarters and reduce its audit fees and would enhance the prospects for merger and acquisition opportunities and simplify any ensuing discussions. Continuance would not affect the status of the Company as a listed company on the TSX Venture Exchange or as a reporting issuer under the securities legislation of British Columbia or any other province or territory of Canada or the United States of America, and the Company will remain subject to the requirements of all such legislation.

Continuance, if effected, would involve the adoption by the Company of new charter documents that satisfy the requirements of the British Columbia *Business Corporations Act*. It is management's expectation and intent that such new charter documents as may be adopted would be in standard forms that are typically used by public corporations subsisting under the British Columbia *Business Corporations Act* to govern their capital structure and corporate affairs and would not affect any changes to the existing capital structure of the Company or result in any substantive changes to the constitution, powers or management of the Company. Shareholders having any concerns concerning the differences between the provisions of the British Columbia *Business Corporations Act* and the provisions of the Anguilla *Business Companies Act, 2022* which could affect their shareholdings should, in considering the authorizing resolution, consult their own legal advisors.

Initial investigations indicate that Continuance should not result in any change to the tax status of holders of the common shares of the Company, however, in considering the authorizing resolution, shareholders should consult their own tax advisers as to the potential tax consequences of Continuance to them under federal, provincial, territorial and all such other tax legislation as may be applicable.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE RESOLUTION AUTHORIZING THE BOARD OF DIRECTORS TO EFFECT CONTINUATION OF THE COMPANY OUT OF ANGUILLA AND INTO BRITISH COLUMBIA, IF THEY DETERMINE THAT DOING SO WOULD BE ADVISABLE AND IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS.

- presenting to the Board of Directors any material business issues resulting from communications with shareholders.

4. Orientation and Continuing Education

Briefly describe what measures the board takes to orient new directors regarding

- The role of the board, its committees and its directors; and***
- The nature and operation of the issuer's business.***

No formal orientation program has been developed by the Board. However, new directors have the opportunity to meet with and participate in work sessions with senior management to obtain insight into the operations of the Company. It is expected that new directors will generally have been executives with extensive business or other senior level experience and have directorship responsibilities on other public and private company boards and institutions. Orientation for these individuals is provided through a review of past Board of Director materials and other private and public documents concerning the Company. Given the level of experience of those joining the Board and the relatively short history of the Company, a formal orientation and education program has not been viewed as necessary.

Briefly describe what measures, if any, the board takes to provide continuing education for its directors. If the board does not provide continuing education, describe how the board ensures that its directors maintain the skill and knowledge necessary to meet their obligations as directors.

The Company has no formal policy of providing professional development courses to Board members, though educational sessions are occasionally presented to the Board by the Company's outside advisors. Board members are experienced business people with in-depth knowledge of the industry in which the Company operates. The Company will engage consultants on an as-needed basis to make presentations to the Board on matters relevant to the Company.

5. Ethical Business Conduct

Disclose whether or not the board has adopted a written code for the directors, officers and employees. If the board has adopted a written code disclose how a person or company may obtain a copy of the code;

On December 21, 2006, the Board adopted a new Code of Business Conduct and Ethics (the "Code"), which applies to the Company's directors, officers and employees. The Code was adopted to further strengthen the Company's internal compliance program. The Code addresses among other things, honesty and integrity, fair dealing, conflicts of interest, compliance with laws, regulations and policies, including disclosure requirements under the federal securities laws, and administration of the code. The code is available at the Company's website at <https://investor.kidoz.net> in the Corporate section under Corporate Governance. A copy of our Code of Ethics is available upon request at no charge to any shareholder.

Describe how the board monitors compliance with its code, or if the board does not monitor compliance, explain whether and how the board satisfies itself regarding compliance with its code;

The Board is ultimately responsible for the implementation and administration of the Code of Business Conduct and Ethics and, given the nature and size of the Company, the Board is of the view that it can effectively monitor the day-to-day implementation and administration of the Code.

Provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code.

There are no such reports.

Describe any steps the board takes to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

A director or officer of the Company must declare the nature of any interest that he or she has in a material contract, whether made or proposed, with the Company. Following such a declaration, Board members will abstain from voting on any resolution in which they may have a potential conflict of interest.

Describe any other steps the board takes to encourage and promote a culture of ethical business conduct.

The Board monitors management on a regular basis. The Company is dedicated to the maintenance of good corporate governance and ethical business conduct. In particular, the Board takes special efforts, and engages outside counsel where necessary, to ensure that all legal and stock exchange requirements are addressed in a timely and effective manner. The Board is responsible for ensuring the independent functioning of the Board and ensuring the integrity of the Company's internal control and management function.

6. Compensation

Describe the process by which the board determines the compensation for the issuer's directors and officers.

The Compensation Committee recommends compensation policies to the Board and sets the compensation of the Chief Executive Officer of the Company. The Committee's guiding philosophy is to establish executive compensation based on corporate performance.

If the board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.

The mandate of the Compensation Committee is to establish and monitor the Company's policies for attracting, retaining, developing and motivating senior employees. The compensation policies are designed to support the Company's strategic objectives, ensure that incentive programs are designed to motivate senior managers to achieve or exceed corporate objectives and to enhance shareholder value and to ensure that there is reasonable consistency in the application of the compensation policies. The Company's responsibilities include reviewing annually the performance of the Chief Executive Officer (or more frequently if deemed necessary by the Compensation Committee), setting the Chief Executive Officer's compensation and, in consultation with the Chief Executive Officer, establishing his personal objectives, reviewing the performance and approving the compensation of executive officers of the Company on the recommendation of the Chief Executive Officer, establishing incentive compensation programs and monitoring their effectiveness and developing and documenting the compensation policy and philosophy of the Company for approval by the Board of Directors.

If a compensation consultant or advisor has, at any time since the beginning of the issuer's most recently completed financial year, been retained to assist in determining compensation for any of the issuer's directors and officers, disclose the identity of the consultant or advisor and briefly summarize the mandate for which they have been retained. If the consultant or advisor has been retained to perform any other work for the Issuer, state that fact and briefly describe the nature of the work.

Not Applicable.

Other Board Committees

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The Board's three standing committees are the Audit Committee, the Corporate Governance Committee, and the Compensation Committee. The Audit Committee has a written mandate, a copy of which is attached hereto as Appendix II.

7. Assessments

Disclose whether or not the board, its committees and individual directors are regularly assessed with respect to their effectiveness and contribution. If assessments are regularly conducted, describe the process used for the assessments. If assessments are not regularly conducted, describe how the board satisfies itself that the board, its committees, and its individual directors are performing effectively.

The Board of Directors as a whole annually reviews and assesses its effectiveness and the effectiveness of the Board committees.

3. The Board oversees that succession planning programs are in place, including programs to appoint, train, develop and monitor management.

Board Organization

4. The Board will respond to recommendations received from the Audit Committee, the Corporate Governance Committee and the Compensation Committee, but retains the responsibility for managing its own affairs by giving its approval for its composition and size, the selection of the Chair of the Board, candidates nominated for election to the Board, committee and committee chair appointments, committee charters and director compensation.
5. The Board may delegate to Board committees matters it is responsible for, including the approval of compensation of the Board and management, the conduct of performance evaluations and oversight of internal controls systems, but the Board retains its oversight function and ultimate responsibility for these matters and all other delegated responsibilities.

Strategic Planning

6. The Board has oversight responsibility to participate directly, and through its committees, in reviewing, questioning and approving the mission of the business and its objectives and goals.
7. The Board is responsible for adopting a strategic planning process and approving and reviewing, on at least an annual basis, the business, financial and strategic plans by which it is proposed that the Company may reach those goals, and such strategic plans will take into account, among other things, the opportunities and risk of the business.
8. The Board has the responsibility to provide input to management on emerging trends and issues and on strategic plans, objectives and goals that management develops.

Risk Management

13. The Board has responsibility for the identification of the principal risks of the Company's business and ensuring the implementation of appropriate systems to effectively monitor and manage such risks with a view to the long-term viability of the Company and achieving a proper balance between the risks incurred and the potential return to the Company's shareholders.

14. The Board is responsible for the Company's internal control and management information systems.

Policies and Procedures

15. The Board is responsible for:

- (a) developing the Company's approach to corporate governance, including developing a set of corporate governance guidelines for the Company and approving and monitoring compliance with all significant policies and procedures related to corporate governance; and

- (a) ensuring that all new directors receive a comprehensive orientation, that they fully understand the role of the Board and its committees, as well as the contribution individual directors are expected to make (including the commitment of time and resources that the Company expects from its directors) and that they understand the nature and operation of the Company's business; and

(b) providing continuing education opportunities for all directors, so that individuals may maintain or enhance their skills and abilities as directors, as well as to ensure that their knowledge and understanding of the Company's business remains current.

Nomination of Directors

20. In connection with the nomination or appointment of individuals as directors, the Board is responsible for:

- (a) considering what competencies and skills the Board, as a whole, should possess;
- (b) assessing what competencies and skills each existing director possesses; and
- (c) considering the appropriate size of the Board, with a view to facilitating effective decision making.

In carrying out each of these responsibilities, the Board will consider the advice and input of the Corporate Governance Committee.

Board Evaluation

21. The Board is responsible for ensuring that the Board, its committees and each individual director are regularly assessed regarding his, her or its effectiveness and contribution. An assessment will consider, in the case of the Board or a Board committee, its mandate or charter and in the case of an individual director, any applicable position description, as well as the competencies and skills each individual director is expected to bring to the Board.

Annual Review

The Chairman of the Board together with the lead director, if any, shall be responsible for overseeing the performance by the Board of its duties, for communicating periodically with the Committee chairs regarding the activities of their respective Committees, for assessing the effectiveness of the Board as a whole as well as individual Board members and for overseeing the management of the Company's business.

in which case the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

(d) Ceasing to Perform Investor Relations Activities

Notwithstanding the paragraph (c) immediately above, and unless otherwise determined by the Board of Directors in writing, in the event that the Option Holder holds his or her Option as an Employee or Consultant of the Company who provides Investor Relations Activities on behalf of the Company, and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death, the Expiry Date shall be the date the Option Holder ceases to be an Employee or Consultant of the Company.

3.6 EXERCISE PRICE

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, and announced as of the Award Date, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that it shall not be less than the closing price of the Company's Shares traded through the facilities of the Exchange (or, if the Shares are no longer listed for trading on the Exchange, then such other exchange or quotation system on which the Shares are listed or quoted for trading) on the day preceding the Award Date, less any discount permitted by the Exchange, or such other price as may be required or permitted by the Exchange.

3.7 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, and all Option Certificates will be so legended, provided however that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.8 PAYROLL WITHHOLDING

If the Company is required under the Income Tax Act (Canada) or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Common Shares on exercise of Options, then the Option Holder shall:

- (a) pay to the Company, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Company to be the amount necessary to permit the required tax remittance;
- (b) authorize the Company, on behalf of the Option Holder, to sell in the market on such terms and at such time or times as the Company determines a portion of the Common Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
- (c) make other arrangements acceptable to the Company to fund the required tax remittance.

3.9 ADJUSTMENTS

If prior to the complete exercise of any Option the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the "Event"), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options.

3.10 EXERCISE RESTRICTIONS

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded on the applicable Option Certificate.

Notwithstanding the above, Options issued to Consultants performing Investor Relations Activities must vest in stages over at least twelve months with not more than one-quarter of the Options vesting in any three-month period.

3.11 REPRESENTATIONS

For Options granted to Employees, Consultants or Management Company Employees, both the Company and the Option Holder will represent that the Option Holder is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

ARTICLE IV EXERCISE OF OPTION

4.1 EXERCISE OF OPTION

An Option may be exercised only by the Option Holder or his Personal Representative. An Option Holder or his Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

4.2 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

4.3 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations.

4.4 MONITORING OF TRADES

An Option Holder who performs Investor Relations Activities shall provide written notice to the Board of each of his trades of securities of the Company, within five business days of each trade.

ARTICLE V ADMINISTRATION

5.1 ADMINISTRATION

The Plan shall be administered by the Board, or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan. The Board or such committee may make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations shall form part of this Plan. The Board may delegate to the Administrator or any Director, Employee or officer of the Company such administrative duties and powers as it may see fit.

5.2 INTERPRETATION

The interpretation by the Board or its authorized committee of any of the provisions of this Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

ARTICLE VI APPROVALS, AMENDMENTS AND TERMINATION

6.1 APPROVALS REQUIRED FOR PLAN

Prior to its implementation by the Company, this Plan is subject to the receipt of approval by the shareholders of the Company at a general meeting and approval of the Exchange.

6.2 PROSPECTIVE AMENDMENT

Subject to applicable regulatory approval, the Board may from time to time amend this Plan and the terms and conditions of any Option thereafter to be awarded and, without limiting the generality of the foregoing, may make such amendments for the purpose of meeting any changes in any relevant law, Exchange policy, rule or regulation applicable to this Plan, any Option or the Shares, or for any other purpose which may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to such amendment.

6.3 RETROACTIVE AMENDMENT

Subject to applicable regulatory approval, the Board may from time to time retroactively amend this Plan and may also, with the consent of the affected Option Holders, retroactively amend the terms and conditions of any Options which have been previously awarded.

6.4 EXCHANGE APPROVAL

With the consent of affected Option Holders, the Board may amend the terms of any outstanding Option so as to reduce the number of optioned Shares, increase the Exercise Price, or cancel an Option without Exchange approval. Any other amendment will be subject to receiving prior Exchange approval.

6.5 SHAREHOLDER APPROVAL

This Plan must be approved by the Company's shareholders annually, at a duly called meeting of the shareholders. Disinterested shareholder approval (as defined in Exchange policy) will be required for: (i) any reduction in the exercise price of Options granted to Insiders, if the Option Holder is an Insider of the Company at the time of the proposed amendment; and (ii) the situations where the Plan, together with all other outstanding options, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the Company's issued Shares;
- (b) the grant to Insiders, within a 12-month period, of a number of options exceeding 10% of the Company's issued Shares;
- (c) the issuance to any one Option Holder, within a 12-month period, of a number of Shares exceeding 5% of the Company's Shares, or
- (d) such other maximum amounts as may allowable under the policies of the Exchange.

6.6 TERMINATION

The Board may terminate this Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination and notwithstanding such termination the Company, such Options and such Option Holders shall continue to be governed by the provisions of this Plan.

6.7 AGREEMENT

The Company and every person to whom an Option is awarded hereunder shall be bound by and subject to the terms and conditions of this Plan.

3. TYPES OF OPTION GRANTS AND SECTION 102 ELECTION

3.1 Options granted under the Plan and this Appendix pursuant to Section 102 shall be made pursuant to either (a) Section 102(b)(2) of the ITO as 102 Capital Gains Track Grants or (b) Section 102(b)(1) of the ITO as 102 Ordinary Income Track Grants. The Election of the Company regarding the type of 102 Trustee Grant it chooses to make shall be filed with the ITA. Once the Company has filed such Election, it may change the type of 102 Trustee Grant that it chooses to make only after the passage of at least 12 months from the end of the calendar year in which the first grant was made in accordance with the previous Election, in accordance with Section 102. For the avoidance of doubt, such Election shall not prevent the Company from granting Non-Trustee Grants to Eligible 102 Participants at any time.

3.2 Eligible 102 Participants may receive only 102 Trustee Grants or Non-Trustee Grants under the Plan and this Appendix. Participants who are not Eligible 102 Participants may only be granted 3(i) Options under the Plan and this Appendix.

3.3 No 102 Trustee Grants may be made effective pursuant to this Appendix until 30 days after the requisite filings required by the ITO and the Rules have been made with the ITA.

3.4 The Option Certificate evidencing an Option granted pursuant to the Plan and this Appendix shall indicate whether the Option is a 102 Trustee Grant, a Non-Trustee Grant or a 3(i) Grant; and, if the Option is a 102 Trustee Grant, whether it is a 102 Capital Gains Track Grant or a 102 Ordinary Income Track Grant.

4. TERMS AND CONDITIONS OF 102 TRUSTEE GRANTS

4.1 Each 102 Trustee Grant will be deemed to have been made on the date stated in a written notice by the Company, provided that on or before such date: (i) the Company has provided such notice to the Trustee and (ii) the Participant has signed all documents required pursuant to this Section 4.

4.2 Each Option that is a 102 Trustee Grant made to an Eligible 102 Participant and each certificate for Shares acquired upon the exercise of such Option shall be issued to and registered in the name of a Trustee and shall be held in trust for the benefit of the Eligible 102 Participant for the Required Holding Period. After termination of the Required Holding Period, the Trustee may release such Option and any Shares so acquired, provided that: (i) the Trustee has received an acknowledgment from the ITA that the Eligible 102 Participant has paid any and all applicable tax due pursuant to the ITO or (ii) the Trustee and/or the Company or its applicable Affiliate withholds any applicable tax due pursuant to the ITO. The Trustee shall not release any Option that is a 102 Trustee Grant or any Shares acquired upon exercise of such an Option prior to the full payment of the tax liabilities of the applicable Eligible 102 Participant.

4.3 Each 102 Trustee Grant (whether a 102 Capital Gains Track Grant or a 102 Ordinary Income Track Grant, as applicable) shall be subject to the relevant terms of Section 102 and the ITO, which shall be deemed an integral part of the Option granted and shall prevail over any term contained in the Plan, this Appendix or any agreement that is not consistent therewith. Any provision of the ITO and any approvals by the ITA not expressly specified in this Plan, this Appendix or the applicable Option Certificate which are necessary to receive or maintain any tax benefit pursuant to the Section 102 shall be binding on the Eligible 102 Participant. The Trustee and the Eligible 102 Participant granted a 102 Trustee Grant shall comply with the ITO, and the terms and conditions of the trust agreement entered into between the Company and the Trustee. For avoidance of doubt, it is reiterated that compliance with the ITO specifically includes compliance with the Rules. Further, the Eligible 102 Participant agrees to execute any and all documents which the Company or the Trustee may reasonably determine to be necessary in order to comply with the provisions of any applicable law, and, particularly, of Section 102.

4.4 During the Required Holding Period for each 102 Trustee Grant, the Eligible 102 Participant shall not require the Trustee to release or sell the subject Option or any Shares acquired upon exercise thereof or any other securities received upon realization of rights attaching to such Option or Shares (including share dividends) to the

Eligible 102 Participant or to a third party, unless permitted to do so by applicable law. Notwithstanding the foregoing, the Trustee may, pursuant to a written request and subject to applicable law, release and transfer Shares acquired upon exercise of an Option that is a 102 Trustee Grant to a designated third party, provided that both of the following conditions have been fulfilled prior to such transfer: (i) all taxes required to be paid upon the release and transfer of the subject Shares have been withheld for remittance to the ITA and (ii) the Trustee has received written confirmation from the Company that all requirements for such release and transfer have been fulfilled according to the terms of the corporate documents of the Company, the Plan, any applicable agreement and any applicable law. To avoid doubt, such sale or release during the Required Holding Period will result in different tax ramifications to the Eligible 102 Participant under Section 102 of the ITO and the Rules and/or any other regulations or orders or procedures promulgated thereunder, which shall apply to and shall be borne solely by such Eligible 102 Participant.

4.5 In the event a share dividend is declared on Shares acquired upon exercise of an Option that is a 102 Trustee Grant, such dividend shall also be subject to the provisions of this Section 4 and the Required Holding Period for such dividend shares shall be measured from the commencement of the Required Holding Period for the Option that was exercised to acquire the Shares in respect of which the dividend was declared. In the event a cash dividend is paid on such Shares, the Trustee shall transfer the dividend proceeds to the Eligible 102 Participant, after deduction of taxes and mandatory payments in compliance with applicable withholding requirements.

4.6 If an Option that is a 102 Trustee Grant is exercised during the Required Holding Period therefor, the Shares issued upon exercise thereof shall be issued in the name of the applicable Trustee for the benefit of the Eligible 102 Participant. If such an Option is exercised after the Required Holding Period therefor has ended, the Shares issued upon exercise thereof shall, at the election of the Eligible 102 Participant, either: (i) be issued in the name of the applicable Trustee, or (ii) be issued to the Eligible 102 Participant directly, provided that the Eligible 102 Participant first complies with all applicable provisions of the Plan.

4.7 For as long as Shares are registered in the name of a Trustee for the benefit of a Participant, the Trustee shall provide to the Participant prompt written notice of all shareholder meetings or other communications to shareholders of the Company received by the Trustee, and if so requested in writing by the Participant, the Trustee shall execute a proxy in a form acceptable to the Company to enable the Participant to vote such Shares.

5. ASSIGNABILITY

As long as Options or Shares are held by a Trustee on behalf of an Eligible 102 Participant, all rights of the Eligible 102 Participant over such securities are personal and cannot be transferred, assigned, pledged or mortgaged, other than by will or laws of descent and distribution.

6. TAX CONSEQUENCES

6.1 Any tax consequences arising from the grant, sale or exercise of any Option, from the payment for Shares covered thereby, or from any other event or act (of the Company and/or its applicable Affiliate and/or the applicable Trustee and/or the applicable Participant), hereunder shall be borne solely by the applicable Participant. The Company and/or its applicable Affiliate and/or the Trustee shall withhold taxes according to the requirements under the applicable laws, rules, and regulations, including withholding taxes at source. Furthermore, the applicable Participant shall agree to indemnify the Company and/or its applicable Affiliate and/or the applicable Trustee and hold them harmless against and from any and all liability for any such tax or interest or penalty thereon, including without limitation, liabilities relating to the necessity to withhold, or to have withheld, any such tax from any payment made to the applicable Participant. The Company and/or its applicable Affiliate(s) and/or the applicable Trustee(s) may make such provisions and take such steps as it or they may deem necessary or appropriate for the withholding of all taxes required by law to be withheld with respect to Options granted under the Plan and the exercise thereof, including, but not limited, to: (i) deducting the amount so required to be withheld from any other amount (or Shares issuable) then or thereafter to be provided to the Participant, including

by deducting any such amount from a Participant's salary or other amounts payable to the Participant, to the maximum extent permitted under law, and/or (ii) requiring the Participant to pay to the Company or its applicable Affiliate the amount so required to be withheld as a condition of the issuance, delivery, distribution or release of any Shares and/or (iii) by causing the exercise and sale of any Options or Shares held by on behalf of the applicable Participant to cover such liability, up to the amount required to satisfy minimum statutory withholding requirements. In addition, the applicable Participant will be required to pay any amount due in excess of the tax withheld and transferred to the tax authorities, pursuant to applicable tax laws, regulations and rules.

6.2 With respect to Non-Trustee Grants, if the applicable Participant ceases to be employed by the Company or an Affiliate of the Company, the applicable Participant shall provide to the Company and/or its applicable Affiliate(s) a security or guarantee for the payment of tax due at the time of sale of Shares acquired upon exercise of the applicable Option to the satisfaction of the Company, all in accordance with the provisions of Section 102 of the ITO and the Rules.

7. GOVERNING LAW AND JURISDICTION

Notwithstanding any other provision of the Plan, with respect to Participants subject to this Appendix, the Plan and all instruments issued thereunder or in connection therewith shall be governed by, and interpreted in accordance with, the laws of the State of Israel applicable to contracts made and to be performed therein.
