Kidoz Inc. Commences Trading on the OTCQB Market in the United States under the symbol KDOZF

Vancouver, B.C. Canada, June 11, 2025 – Kidoz Inc. (TSXV:KDOZ, OTCQB:KDOZF) (“Kidoz” or the “Company”), mobile AdTech developer and owner of the market-leading Kidoz Contextual Ad Network (www.kidoz.net), the Kidoz Publisher SDK and Kidoz Privacy Shield, is pleased to announce that it has qualified for trading on the OTCQB Venture Market in the United States under the symbol “KDOZF”.

The OTCQB Venture Market is operated by the OTC Markets Group Inc. and the Kidoz’s common shares commenced trading Monday June 9, 2025, on the OTCQB under the symbol “KDOZF”. The Company's common shares will continue to trade on the TSX Venture Exchange (the “TSXV”) under the symbol “KDOZ”.

“Listing our shares on the OTCQB, a recognized United States securities trading platform, enhances Kidoz’s visibility and provides greater liquidity by making it easier for United States investors to access our common stock,” said Jason Williams, CEO of Kidoz. “As we continue to grow our presence within the U.S. investment community, this listing comes at a strategic time. We expect rising interest from investors seeking to align with an innovative and growth-oriented technology company like Kidoz.”

United States investors will now be able to find current financial disclosure and Real-Time Level 2 quotes for the Company on www.otcm Markets.com. The Company's primary listing remains in Canada on the TSX Venture exchange and the coordinated simultaneous trading of its shares on the OTCQB. This will provide greater visibility and transparency of the Company’s share price in the United States and we expect liquidity to be enhanced.

About Kidoz Inc.

Kidoz Inc. (TSXV:KDOZ) (OTCQB:KDOZF) (www.kidoz.net) (previously TSXV:KIDZ) is a global AdTech software company and the developer of the Kidoz Safe Ad Network, delivering privacy-first, high-performance mobile advertising for children, teens, and families, whose mission is to keep children safe in the complex digital advertising ecosystem. Through its proprietary Kidoz SDK, Privacy Shield, and advanced contextual targeting tools, Kidoz enables safe, compliant ad experiences that adhere to COPPA, GDPR-K, and global standards, without using location or personally identifiable information data tracking commonly used in digital advertising.

The Kidoz platform helps app developers monetize their apps with safe and relevant ads, while uniting brands and families in a compliant mobile ecosystem. Google-certified and Apple-approved, the Kidoz network reaches hundreds of millions of users monthly, and is trusted by leading brands including Mattel, LEGO, Disney, and Kraft. Kidoz offers both managed and programmatic media solutions, including SSP, DSP, and Ad Exchange capabilities and provides a platform for mobile app publishers to monetize their active users through display, rich media, and video ads. Trusted by top brands and developers, Kidoz runs campaigns in over 60 countries and generates the majority of its revenue from AdTech advertising.

The Company also operates Prado, its wholly owned over-13 division. For brands, Prado enables scaled access with high quality inventory and audience engagement across teens, families, and general audiences.
